(In Open Court, Defendant Present)
 1
                     THE COURT: On the record.
 2
                     In addition to Mr. Hernandez, who has
 3
     the work pay issue/problem, I understand that Juror
 4
 5
     No. 43, Mr. Free, has told the bailiff he has a
 6
     vacation issue. So, I don't believe he mentioned
 7
     that. So, we will be glad to hear what they have to
 8
     say.
 9
                    So, may we see Mr. Hernandez, Juror
     No. 36, first?
10
11
                     THE BAILIFF: Judge, shall I bring the
12
     defendant out?
13
                     THE COURT: Yes, please.
14
                    THE BAILIFF: Judge, the media wants
15
     to know if we would open the blinds.
16
                    THE COURT: Sure. Would you ask
17
     whoever is there to step in?
18
                     (Media person enters courtroom)
19
                     THE COURT: Hi. Come on up. How are
20
     you doing? Tell me what station you're from.
21
                    MEDIA PERSON: Houston Chronicle,
22
     ma'am.
23
                    THE COURT: Oh, you are?
24
                    MEDIA PERSON: Yes, ma'am.
25
                    THE COURT: Okay. Welcome.
```

```
Obviously, sexual assault victims cannot be
 1
 2
     photographed.
 3
                    MEDIA PERSON: Yes.
                    THE COURT: So, I think your employer
 4
 5
     has always been really good about that; but I just
 6
     wanted to mention it. And are you here to report or
 7
     take --
 8
                    MEDIA PERSON: And I'm a photographer.
 9
                    THE COURT: A photographer. So,
10
     what -- do you want to take pictures of the lawyers
11
     during opening statements or --
12
                    MEDIA PERSON: And the defendant.
13
                    MEDIA PERSON: Yes.
14
                    THE COURT: Okay.
15
                    MEDIA PERSON: Just the coverage of
16
     the trial. I do not think -- you know, I don't
     know -- I think -- I think --
17
18
                    THE COURT: There is no problem with
19
     that. I'm willing to work with you.
20
                    MEDIA PERSON: Okay. Great.
21
                    THE COURT: So, this is the person you
22
     wanted to open the blinds for?
23
                    THE BAILIFF: Yes, ma'am.
                    THE COURT: Okay. So, we can open the
24
25
     blinds. That way we can all see who's out there. I
```

```
prefer to have them outside for security reasons
 1
     anyway. Although when the sexual assault victim
 2
     testifies, we might want to lower them.
 3
                    MEDIA PERSON:
                                    That's probably --
 4
 5
                     THE COURT: Somebody might film her,
 6
     and then it would be too late to do anything about
 7
     it.
 8
                    MEDIA PERSON: That's always a good
     idea.
 9
                     THE COURT: So, I think -- and I
10
11
     take -- does your camera click or make noise?
12
                    MEDIA PERSON: Out there, I don't
13
     think it -- I mean, it can be silenced. Still clicks
     a little bit.
14
15
                                Okay. Okay.
                     THE COURT:
16
                    MEDIA PERSON: On the other side of
     the entrance, I don't think --
17
18
                     THE COURT: What you need to do is
19
     just pick a spot so you're not moving around and
20
     being -- you know the jurors are not allowed to be
21
     photographed.
22
                     MEDIA PERSON:
                                    Yes.
23
                     THE COURT: Okay.
24
                     MEDIA PERSON: I will be on the other
     side of the glass.
25
```

```
THE COURT: You can be anywhere.
 1
                    MEDIA PERSON: We can be inside?
 2
                    THE COURT: Uh-huh (affirmative.)
 3
     just don't want you moving around. As long as you
 4
 5
     stay in one spot. You don't have lights, do you?
 6
                    MEDIA PERSON:
                                  I don't.
 7
                    THE COURT: So, you know, anyplace you
     like.
 8
 9
                    MEDIA PERSON: Well, if I'm inside, I
     will turn my camera on the silent mode. Still clicks
10
11
     a little bit, but if you --
12
                    THE COURT: That's all right.
                    MEDIA PERSON: -- hear it --
13
14
                    THE COURT: It's not been that bad a
15
     problem.
16
                    MEDIA PERSON: If you can hear it,
17
     give me a scowl.
                    THE COURT: If it's a minor noise,
18
     just like clicking with the court reporter or the
19
20
     computer. You know, only if it gets to be
21
     distracting that I will say something, but we know
22
     you're just trying to do your job. So, we're happy
     to work with you. And tell me your name.
23
24
                    MEDIA PERSON: Brett Coomer.
25
                    THE COURT: Oh, cool. Very nice to
```

```
have you here.
 1
 2
                    MEDIA PERSON: Thank you.
                    THE COURT: If everyone is ready, we
 3
     will talk to Mr. Hernandez first. Thank you. Juror
 4
     No. 36.
 5
 6
                    THE BAILIFF:
                                  Hernandez?
 7
                    THE COURT: Yes, ma'am.
                                Which issue?
 8
                    MR. VINAS:
                    THE COURT: We talked to him
 9
10
     yesterday.
11
                    MR. VINAS: He had vacation or a work
     issue?
12
                    THE COURT: Work issue.
13
14
                    MR. VINAS:
                                 Okay.
15
                    THE COURT: A financial hardship for
16
     him, I think. Do you happen to have the jury cards
     still? Are they still up here?
17
                    THE CLERK: Yes, ma'am.
18
19
                    THE COURT: Okay. Thank you.
20
                     (Juror No. 36 enters courtroom)
21
                    THE COURT: Good morning,
22
     Mr. Hernandez. You can just sit up here on the
23
     witness stand so the lawyers can hear you because
     there is a microphone there. So, you can have a
24
2.5
     seat. Relax a minute.
```

```
JUROR NO. 36: Okay.
 1
                    THE COURT: You're Juror No. 36,
 2
 3
     aren't you?
                    JUROR NO. 36: Uh-huh (affirmative.)
 4
 5
                    THE COURT: How are you doing?
                    JUROR NO. 36: Good.
 6
 7
                    THE COURT: I know you told us
 8
     yesterday that you were concerned you would not be
 9
     paid and that might be a financial hardship. So,
     tell me about that.
10
11
                    JUROR NO. 36: Well --
12
                    THE COURT: Talk loud so everybody can
13
     hear you.
                    JUROR NO. 36: Well, I talked to my
14
15
     boss; and they told me they wouldn't pay me only two
16
     days.
17
                    THE COURT: Okay.
18
                    JUROR NO. 36: And this is day two.
19
     have bills and a little 1-year-old kid.
20
                    THE COURT: How much do you make an
21
     hour?
22
                    JUROR NO. 36: Right now I'm not too
     sure because my old boss just gave me a raise. So, I
23
     got to check on like the account. I'm like at 16.
24
25
                    THE COURT: Okay. And does your wife
```

```
1
     work?
                    JUROR NO. 36: She just got hired.
 2
                    THE COURT: So, she hasn't been
 3
     working.
 4
 5
                    JUROR NO. 36: I'm the only one.
                    THE COURT: And then how many
 6
 7
     children?
 8
                    JUROR NO. 36: One.
 9
                    THE COURT: One. And is that a baby,
     or how old is that child?
10
11
                    JUROR NO. 36: He is 1 years old.
12
                    THE COURT: 1 years old.
13
                    JUROR NO. 36: And a couple months.
                    THE COURT: So, if you were to not get

     paid for let's say two and a half weeks or so, would
16
     that be a financial hardship for you?
                    JUROR NO. 36: Yes, big time. I mean,
17
18
     I got another big issue, too.
                    THE COURT: What is that?
19
20
                    JUROR NO. 36: I don't know if I can
     talk about it with you, but -- can I say it?
21
22
                    THE COURT: Sure. Do you feel like
23
     you need privacy or what?
24
                    JUROR NO. 36: Yeah, little bit.
25
                    THE COURT: Well, before he has to
```

```
reveal something of a private nature, can I make a
 1
     suggestion? All the lawyers have a seat.
 2
 3
                    MR. VINAS: Certainly.
                    THE COURT: Okay. Thank you.
 4
 5
                    Ms. Primm, do you have any questions
 6
     of Mr. Hernandez?
 7
                    MS. PRIMM: No, ma'am.
 8
                    THE COURT: Mr. Vinas, do you have any
 9
     questions?
                                I do, Your Honor.
10
                    MR. VINAS:
11
                    THE COURT:
                                Okay.
12
                    MR. VINAS: Mr. Hernandez, safe to say
13
     you need to get out of here as soon as possible?
                    JUROR NO. 36: What was that?
14
15
                    MR. VINAS: I'm sorry. I'm talking
16
     too fast apparently. Is it safe to say that you need
17
     to get out of here as soon as possible?
                    JUROR NO. 36: Kind of, yes.
18
19
                    MR. VINAS: Okay. And I missed it
20
     when you were talking to the Judge. Are you the only
     one in your household who works?
21
                    JUROR NO. 36: I was. Now my
22
23
     girlfriend just got hired.
24
                    MR. VINAS: Okay. All right. And you
     have a 1 -- 1-year-2-month-old?
25
```

```
JUROR NO. 36: Yes.
 1
                    MR. VINAS: Any other children?
 2
                    JUROR NO. 36: Just one boy.
 3
                    MR. VINAS: Okay. And is your family
 4
 5
     depending upon your income for financial support?
 6
                    JUROR NO. 36: Well, we have my
 7
     girlfriend just started working. So --
 8
                    MR. VINAS: So, she hasn't gotten paid
 9
     yet?
                    JUROR NO. 36: No.
10
11
                    MR. VINAS: Okay. That's all I have,
12
     Your Honor.
13
                    I have one more question.
14
                    THE COURT: All right.
15
                    MR. VINAS: Will that be on your mind
16
     while you're deliberating or while in this trial?
                    JUROR NO. 36: Yes. And something
17
18
     else that I got, too.
19
                    MR. VINAS: Another personal issue?
20
                    JUROR NO. 36: Yes.
2.1
                    MR. VINAS: Okay. All right.
22
                    THE COURT:
                                Okay.
23
                    MR. VINAS: That's all I have, Judge.
24
                    THE COURT:
                                Thank you. Why don't you
     step out in the hallway, and we will call you right
25
```

back in. You don't have to go back to the jury room. 1 JUROR NO. 36: Okay. 2 3 THE COURT: You can just step out in the hallway. 4 5 (Juror No. 36 exits courtroom) 6 THE COURT: I would propose to excuse 7 this juror and substitute the alternate juror. Any 8 objections from the State? 9 MS. PRIMM: None from the State, Your 10 Honor. 11 THE COURT: From the Defense? 12 MR. VINAS: No, Your Honor. 13 THE COURT: Thank you. Then would you 14 ask him to step back in. And he will probably need 15 an excuse for today. 16 (Juror No. 36 enters courtroom) 17 THE COURT: We don't want your family 18 to suffer financial hardship. So, you have been 19 excused. And if you will step around and see the 20 clerk, she will give you your paperwork to show you were in court today. Let me suggest the next time 21 22 you have jury duty -- I know it's hard to speak up in 23 front of a lot of people, but better to mention this 24 earlier instead of after you are on the jury. 25 JUROR NO. 36: Okay.

THE COURT: Okay. So, thank you. 1 Ιt was nice to get to meet you. And I admire your work, 2 3 and you're a good family man. Thank you, sir. (Juror No. 36 excused from the jury 4 5 and released) 6 THE COURT: Thank you. The next 7 juror, according to the bailiff, says that he has a 8 vacation on Friday and Monday. And I don't know if 9 he mentioned that. There were some people with those vacations, but it was his wife who wanted him to 10 bring it to our attention. 11 12 THE BAILIFF: Yes, ma'am. He said it 13 can be rescheduled. 14 THE COURT: Okay. Well, let's talk to 15 him just a moment. Thank you. 16 (Juror No. 43 enters courtroom) 17 THE COURT: Hello, Mr. Free. JUROR NO. 43: Yes. 18 19 THE COURT: We're going to ask that 20 you sit on the witness stand just because there is a microphone there, and that makes it easier for 21 22 everybody to hear. 23 JUROR NO. 43: Okay. 24 THE COURT: So, please have a seat and relax. Get comfortable there. And tell us what 25

```
issue has come up overnight.
 1
                    JUROR NO. 43: I have travel plans to
 2
     leave Friday afternoon at 4:20 and returning Monday.
 3
     I believe my flight arrives like 11:00-something.
 4
 5
     It's --
 6
                    THE COURT:
                                That's this coming Friday?
 7
                    JUROR NO. 43: This coming Friday and
 8
     Monday. And it's travel -- I feel very strong that
 9
     this is important and I'm willing to cancel it, but I
     wanted to ask --
10
                    THE COURT: Well, thank you.
11
                    JUROR NO. 43: -- if possible.
12
13
                    THE COURT: The problem is -- and
14
     thank you for being willing to cancel it. We have
15
     excused one juror this morning. So, we have no
     alternates left.
16
17
                    JUROR NO. 43: It's okay.
                    THE COURT: So, we have to start over
18
19
     again. So, I'm sorry. So, thank you for being
20
     willing to work with us on that.
                    Does the State have the any questions?
2.1
22
                    MS. PRIMM: No, ma'am.
23
                    THE COURT: Does the Defense have any
24
     questions?
25
                    MR. GRAHAM: Just briefly, Judge.
```

```
THE COURT:
 1
                                 Thank you.
                    MR. GRAHAM: Sir, if we were to --
 2
     and, obviously, this is completely up to the Judge;
 3
     but if you were to be able to leave a little earlier
 4
 5
     on Friday and possibly start later on Monday, would
 6
     you -- is there a time frame that would be
 7
     comfortable for you to be able to wrap up here on
 8
     Friday to be able to still make your flight?
                    JUROR NO. 43: Sure.
 9
                                           The flight is
10
     4:20 out of Hobby. And I would leave directly from
11
     here. So, anytime within --
12
                    MR. GRAHAM: Like say if we broke at
     2:00 --
13
14
                    JUROR NO. 43: Absolutely.
15
                    MR. GRAHAM: -- would be okay?
16
                    JUROR NO. 43: I work downtown.
                                                      I was
17
     going to leave at 2:00 anyways.
18
                    MR. GRAHAM: You arrive Monday at
     11:00?
19
20
                    JUROR NO. 43: 11:30, I believe is
     when it arrives at Hobby.
21
22
                    MR. GRAHAM: So, if we were to
23
     possibly start on Monday a little later, like maybe
24
     say 1:30 or 2:00, would you think you would be able
25
     to do that?
```

JUROR NO. 43: Absolutely. 1 MR. GRAHAM: And then -- the reason 2 I'm asking that is with the fact that you have to 3 reschedule, would that weigh in your mind and somehow 4 5 affect your ability to sit as a juror? Would it 6 somehow affect your mood or ability to give both 7 sides a fair trial? 8 JUROR NO. 43: No, not at all. 9 fact, I thought about that yesterday. I was going to say something, but in my mind this is much more 10 11 important than the trip. I'm willing to cancel the 12 trip if that's what's most important, if that's what needs to be done. 13 14 MR. GRAHAM: Is it going to --JUROR NO. 43: Not at all. 15 16 MR. GRAHAM: Is it going to cause you 17 problems at home? JUROR NO. 43: No, not at all. 18 19 MR. GRAHAM: Are you going to blame it 20 on us? 21 JUROR NO. 43: Well, now, I might do 22 that. But my wife was a court reporter for 20 years 23 in New Jersey. She totally understands how it 24 operates. And, again, we feel very strongly about 25 how important it is to serve jury duty.

```
MR. GRAHAM: Okay. Thank you, sir.
 1
 2
                    MR. VINAS: No further questions.
 3
                    THE COURT: And you also have your
     reservations.
 4
 5
                    JUROR NO. 43: Yes.
 6
                    THE COURT: I guess you need to know
 7
     if we will be willing to quit at 2:00 on Friday and
     start about 1:30 on Monday. So, let me discuss that
 8
     with the lawyers. We will do that over the lunch
 9
     recess. If I forget to tell you, remind me.
10
11
                    JUROR NO. 43: Yes, ma'am.
12
                    THE COURT: Okay. Thank you.
                    JUROR NO. 43: Okay.
13
                    (Juror No. 43 exits courtroom)
14
15
                    THE COURT:
                                That was really smooth to
16
     get Friday afternoon off.
17
                    MR. GRAHAM: I have a wife to keep
18
     happy, too, Judge.
19
                    THE COURT: Oh, my goodness. Would
20
     that cause any scheduling problems with the witness?
2.1
                    MS. PRIMM: It may with one witness,
22
     the doctor out of Arizona. She has a special needs
23
     child, cerebral palsy, having surgery next week.
24
     believe she is a single parent. She has to leave on
25
     Tuesday because she has got to have that day to pick
```

```
up her child and get her child to New Mexico where
 1
     the surgery is going to take place.
 2
 3
                     THE COURT:
                                 Oh, my.
                                 So, she is not being a
 4
                     MS. PRIMM:
 5
     whiny doctor.
                    She has a real legitimate need.
 6
                     THE COURT: I thought there were only
 7
     whiny lawyers, you know.
 8
                    MS. PRIMM:
                                 No. No.
                                           Trust me.
 9
     Doctors are much worse.
                     THE COURT: I didn't quite follow all
10
11
     of her schedule, but are you trying to put her on
12
     before Friday or --
13
                    MS. PRIMM:
                                 Well --
14
                     THE COURT:
                                 When are you trying to put
     her on?
15
16
                    MS. PRIMM: We have been in
17
     communication. I thought Matt and I kind of pared
18
     things down. I thought maybe we could get to her
19
     Friday morning.
20
                     THE COURT:
                                 Okay.
21
                    MS. PRIMM: But it would be calling
22
     her out of order because I don't think I could do
23
     everything --
24
                     THE COURT:
                                 Okay.
25
                     MS. PRIMM: -- before her.
```

```
THE COURT: Okay.
 1
                    MS. PRIMM:
 2
                                If we left at 1:30, I
     don't know that that would happen.
 3
                    THE COURT:
                                 Okay. I'm sorry. When
 4
 5
     will you -- are you trying to put her on as a
 6
     witness -- what day?
 7
                    MS. PRIMM: Punishment.
 8
                    THE COURT:
                                It's a punishment witness?
 9
                    MS. PRIMM: She is a punishment
10
     witness. My guilt -- we will be done with guilt by
11
     then.
12
                    THE COURT:
                                Okay. So, I guess
13
     possibly then there is some flexibility with the
14
     schedule at punishment because there is so many
     witnesses.
15
16
                    MS. PRIMM:
                                Not with her.
17
                    THE COURT:
                                 Okay.
18
                    MS. PRIMM: Not with her. I either
19
     get her on Friday or Monday, or I don't get her.
20
                    THE COURT: Either this Friday or this
21
     Monday?
22
                    MS. PRIMM:
                                Or I don't get her.
23
                    THE COURT: Okay. Thank you. Okay.
24
     So, in that case I don't think it's worth it since he
25
     is willing to cancel his trip. So, good try,
```

```
1
     Mr. Graham.
                  Sorry.
                     Okay. And so, why don't I clear this
 2
     up with the juror now. Would you mind asking
 3
     Mr. Free to step back in?
 4
 5
                     And while she is doing that, since
     there is a photographer -- excuse me. Since there is
 6
 7
     a photographer here -- he knows not to photograph
 8
     sexual assault victims, of course, and the jurors.
 9
     But I was just going to mention to the jury there is
10
     a photographer here, but the rules do not permit them
     to be photographed. And so, they should pay no mind
11
12
     whatsoever.
13
                     Is that all right with everyone if I
14
     give that instruction?
15
                     MS. PRIMM:
                                Yes, ma'am.
16
                     MR. GRAHAM: That's fine with us,
17
     Judge.
18
                     THE COURT:
                                 Okay. And, of course, you
19
     need to swear the jury.
20
                     THE CLERK: Yes, ma'am.
2.1
                     THE COURT: Okay. Thank you.
22
                     (Juror No. 43 enters courtroom)
23
                     THE COURT: I'm sorry to say that it
24
     causes a major scheduling problem. We have a number
     of witnesses scheduled, and there is kind of a
25
```

```
complicated schedule. So, I'm sorry. We would be
 1
 2
     willing to recess but for that. So, I'm sorry.
     Please apologize to your wife.
 3
                    JUROR NO. 43: I will.
 4
 5
                    THE COURT: Okay.
                    JUROR NO. 43: Not a problem.
 6
 7
                    THE COURT: Thank you. If you want,
 8
     you can remain in here. We're going to bring out the
     other jurors.
 9
                    JUROR NO. 43: Okay.
10
11
                    THE COURT: Thank you.
12
                    We're still missing one?
                    THE BAILIFF: Yes.
13
14

Thank you. We're ready. 1 THE COURT: THE BAILIFF: All rise. 2 (Jury enters the courtroom) 3 THE COURT: And, jurors, I'm going to 4 5 ask that you remain standing because we're going to 6 give you the oath. Thank you. 7 Those in the courtroom other than the 8 jurors may be seated. And Ms. Williamson will administer the 9 10 oath. Please raise your right hand. 11 (The oath was administered to the 12 jury) 13 THE COURT: Thank you. Please be 14 seated. 15 Members of the jury, there is a 16 photographer here this morning. The rules do not 17 allow some witnesses to be filmed or photographed and 18 do not allow the jurors to be photographed. So, you 19 don't have to worry about being in any of the 20 pictures. So, you should disregard anyone who's taking a picture or filming. I think you will find 21 22 that pretty soon you forget they're here. Thank you. 23 If you would stand, please, 24 Mr. Whitfield. 25 And if you would arraign the

defendant. 1 In Cause No. 1424070, in 2 MS. PRIMM: the State of Texas Vs. Herman Whitfield. 3 In the name and by authority of the 4 5 State of Texas, the duly organized Grand Jury of 6 Harris County, Texas, presents in the District Court 7 of Harris County, Texas, that in Harris County, 8 Texas, Herman Whitfield, hereafter styled the defendant, heretofore on or about June 11, 2008, did 9 then and there unlawfully, intentionally, and 10 11 knowingly cause the sexual organ of Jocelyn Batiz, 12 hereinafter called the complainant, to contact the sexual organ of the defendant, Herman Whitfield, 13 14 without the consent of the complainant, namely, the defendant compelled the complainant to submit and 15 16 participate by use of physical force and violence, 17 and in the course of the same criminal episode, the 18 defendant used and exhibited a deadly weapon, namely, a knife. 19 20 Against the peace and dignity of the 21 State. Signed, the Foreperson of the Grand Jury. 22 THE COURT: Thank you. What plea is 23 entered? 24 THE DEFENDANT: Not guilty. 25 THE COURT: Thank you. You may be

1 seated, sir. 2 Will the State be giving an opening 3 statement? MR. PENEGUY: Yes, Judge. 4 5 THE COURT: Thank you. You may 6 proceed. 7 OPENING STATEMENT 8 MR. PENEGUY: May it please the Court? 9 THE COURT: Yes, sir. 10 MR. PENEGUY: It's a woman's worst 11 That's what you will hear from Jocelyn 12 Batiz. It's the one day in her life that she never 13 wants to remember but can never, never forget. 14 June 11, 2008, was a Wednesday. 15 was 1:00 in the afternoon. Jocelyn and her friend 16 Denise will tell you that Jocelyn spent most of the 17 day over at Denise's apartment. It's an apartment that's a little bit southeast from Houston. It's in 18 19 an area -- a part of town called Sunnyside. 20 Denise lived in that apartment with her mom and her brother. And Jocelyn had come over 21 22 that day around 8:00, 9:00 in the morning. You will 23 hear from those witnesses that at some point in the 24 afternoon they got a call from Jocelyn's mother 25 saying it was time to come home. Jocelyn at that

time was -- was about 21 years old, still lived with her mom.

In order for Jocelyn to get home, like many people who lived in Sunnyside, she had to walk from Denise's apartment to a bus stop. She knows the bus stop. She knows the bus stop. She knows that she had to walk a couple of blocks in order to get to Cullen and Reed Road, where the bus picks up to go north back to where her mom lives.

It's 1:00 in the afternoon, the summertime. And as she left Denise's apartment, she will tell you that she took a shortcut, a little gap in the fence outside at the dead end of the street on Wilmington. And there is a pedestrian bridge that kind of goes over a little -- little bayou, little culvert; and it takes you to the other side of the Wilmington.

It's a dead end road, but there is a foot bridge for foot traffic to be able to cut across it to get down to the Sunnyside Clinic that's on Wilmington and Cullen and kind of save yourself the trip of having to walk all the way around to get to the bus.

1:00 is in the afternoon, she goes outside, she left her friend's apartment. She was in

a hurry to get home. She wasn't exhibiting any type 1 of risky behavior. But we will tell you when she 2 walked across the bridge, she walked down Wilmington, 3 she will describe the street to you, kind of vacant, 4 5 abandoned. No houses on that street, no businesses. 6 And she had seen somebody up on the road that was 7 coming towards her, and she will describe him to you. 8 It was an African American male, 9 approximately 30, 40 years old. She will tell you he 10 was wearing a baseball cap and sunglasses. And it 11 looked like he had lost something. He was looking 12 kind of on the side of the road. She will tell you 13 that she didn't think anything of it. It wasn't 14 unusual for people to be walking on that road. 15 And as Jocelyn walked past that man, 16 her life changed forever. She will tell you that she was grabbed by the neck, started to be pulled. 17 18 will tell you that she was desperate, terrified. 19 Jocelyn would have screamed for help if only she 20 could have. 21 You will hear Jocelyn's voice. 22 will tell you about the tracheotomy she had when she 23 was a baby, which literally makes it impossible for

24

25

her to scream.

Jocelyn will tell you that the man

overpowered her. He held a knife to her neck. She will describe the knife to you. She will tell you how he pulled her off the road and into some tall weeds and an overgrown bush that was on the other side of a wire fence, how he pushed her to the ground.

Jocelyn will tell you how he pulled her pants down and how she struggled with him. She will tell you what his words were. She will tell you what her fear was. She will tell you how he sexually assaulted her at knifepoint.

She will also tell you that after he left, she ran to the closest place that she could think of, which was Denise's apartment just on the other side of the foot bridge.

Denise will tell you what Jocelyn was like when she got back, just minutes later. You will learn -- and you will hear from police officers that were dispatched to Denise' apartment.

You will hear how they went back to the scene with Jocelyn, that -- hours after it occurred and literally recovered her shoes. She had run out of her shoes and left them at the crime scene. She didn't have time to stop and grab them. She just needed to get to safety.

You will hear, like witnesses and victims of these cases, how she had a sexual assault examination at the hospital. You will hear from the nurse who is trained to perform sexual assault examinations.

And you will learn how they treat the body, the clothes -- and her clothing all of the person as a crime scene. You will hear the process by which they collect evidence and how they did that in this case.

You will also hear from the follow-up officers who met with Jocelyn in 2008, how they took her sworn statement, how they documented the case, how they requested evidence to be processed. And they will tell you that Jocelyn thought maybe, just maybe, if she could just see him again, she would be able to pick that person.

But you will learn that she wasn't able to pick out anyone. She never identified anyone. This wasn't someone that she knew. This was a stranger.

And while Jocelyn couldn't identify anyone and point the finger at them for having committed this crime, you will learn that science, years later, was able to do what Jocelyn could not.

You will learn the DNA evidence that was recovered from Jocelyn's clothes in 2008 -- and you will hear from DNA analyst experts who were able to compare the blood that was recovered from Jocelyn's shorts, blood that belongs to the defendant.

2.1

Jocelyn will tell you that she knew she could hear it, that condom going on right before she was sexually assaulted; and somehow that knife caused that defendant to bleed on her shorts. And that is what solves this case.

You will hear from all of the witnesses that the State can provide you to provide testimony as to what happened back on June 11, 2008, as to why we're here today.

At the end we will ask you to consider all of the evidence and especially Jocelyn -Jocelyn's words and to share that she is not just some name in an indictment, but she is a person who was terrified, who experienced her worst nightmare, and who still can't shake the memories of that day.

And after weighing all of the evidence, we will ask that you find the defendant guilty for what he did to Jocelyn for the offense of aggravated sexual assault.

Thank you.

# Opening Statement by Mr. Graham September 15, 2015

THE COURT: 1 Thank you. 2 Does the Defense wish to give an opening statement at this time? 3 MR. GRAHAM: Yes, Your Honor. 4 5 THE COURT: Thank you. Mr. Graham. 6 OPENING STATEMENT 7 MR. GRAHAM: May it please the Court? 8 THE COURT: Yes, sir. 9 MR. GRAHAM: Ms. Primm, Mr. Peneguy, 10 ladies and gentlemen. 11 What you just heard from Mr. Peneguy 12 is very passionate, very well thought-out plan of what they hope will come from this witness stand, 13 14 what they hope will come into evidence. But what you 15 have heard up to this point is not evidence. 16 What you have heard is essentially a 17 game plan, like a coach for a team has a game plan of 18 what they hope will happen on the field. But this is 19 the field. This is where you see what does or does 20 not happen. 21 So, what Joe and I are here to ask you 22 to do is what all of you promised that you could do 23 and why the 12 of you are sitting here and not the 24 other 108 that came here yesterday, and that's come 25 into this process with an open mind. You haven't

heard any evidence yet.

The evidence is not only what they propose what their witnesses will say, but what we question them about. And we encourage you to give us all a fair chance to get all the information, all the evidence out there.

right that this man has. And this -- Judge Krocker made sure you-all knew a bubble is over him, and that bubble is still there. It hasn't been burst by the game plan that the State says that they have. He is presumed innocent. You have not heard any evidence. And that bubble stays around him unless and until they prove this case beyond a reasonable doubt.

Hold them to their job, kick the tires of their case, and make sure that they do what they say they hope to do. Because otherwise, that presumption of innocence, that bubble, stays around Mr. Whitfield and never bursts.

And unless they can prove this case beyond a reasonable doubt, that bubble never bursts, and you have no choice but to find him not guilty.

Thank you.

THE COURT: Thank you very much. The Rule was invoked outside the presence of the jury.

Opening Statement by Mr. Graham September 15, 2015

```
Are there witnesses present?
 1
                    MS. PRIMM: There should be two
 2
     witnesses right now in the hallway. Would you like
 3
     me to go get them?
 4
 5
                     THE COURT: Yes, ma'am. Or the
 6
     bailiff can ask them to step in. We need all
 7
     witnesses to come in and be sworn.
 8
                    And members of the jury, this is the
 9
     Rule with no name. I guess it's the rule of
10
     sequestration, but in Texas it's just called "the
11
     Rule." So, I will instruct the witnesses about it.
12
     Thank you.
13
                    Would you raise your right hand,
14
     please, to take the oath?
15
                     (Witnesses duly sworn)
16
                     THE WITNESS:
                                   I do.
17
                    THE COURT: Thank you. The Rule has
                    That means from now until this phase
18
     been invoked.
19
     of the trial is over, you may not discuss the case
20
     with anyone except the lawyers or someone working for
21
     the lawyers, such as a paralegal or an investigator.
22
                    Also, you may not hear any other
     witness testify. So, you will have to wait outside
23
24
     the courtroom until you're called as a witness.
25
                    And if the lawyers will please make
```

sure that any other witnesses know the Rule is
 1
     invoked --

 3
                     MS. PRIMM:
                                  Yes, ma'am.
                     THE COURT: -- when they arrive.
 4
 5
                     And who will be your first witness,
 6
     then?
 7
                                  Denise Thompson, Your
                     MS. PRIMM:
 8
     Honor.
 9
                     THE COURT:
                                  So, Ms. Thompson, you may
     come up to the witness stand.
10
                     And, Officer, you will need to step
11
12
     outside.
                Thank you so much.
                     Just walk around that way. And you
13
14
     may have a seat there and get comfortable.
15
                         DENISE THOMPSON,
16
     having been first duly sworn, testified as follows:
17
                        DIRECT EXAMINATION
18
         Q.
                (BY MS. PRIMM) Could you please introduce

         Α.
                Hi. I'm Denise Thompson.
21
                And, Ms. Thompson, this is a huge
         Q.
     courtroom. I need you to adjust the mike so you
22
23
     speak into it so everybody can hear you. All right?
24
         \boldsymbol{A} .
                Yes, ma'am.
25
                     THE COURT: Cynthia, can you thump it
```

and let's make sure it's on?
 1
 2
                     THE REPORTER: Yes, ma'am.
 3
                     No, ma'am, it's not on.
                     THE COURT: So, we need to take a
 4
 5
     minute and see if we can get the microphone turned
 6
     on.
 7
                     (Brief pause)
 8
                     THE COURT: Okay. You got it.
                                                       Thank
 9
     you.
                (BY MS. PRIMM) Okay. It wasn't you.
10
         Q.
11
     was the microphone, Ms. Thompson.
12
         A.
                Yes, ma'am.
13
         Q.
                Ms. Thompson, can you tell the ladies and
14
     gentlemen of the jury how old you are?
15
         A.
                Twenty-seven.
16
         Q.
                And are you working?
17
         A.
                Yes, ma'am.
18
         Q.
                How long have you been working?
19
                Since I was 24.

1 A . Yes, ma'am. 2 Q. Are the apartments on these pictures? 3 A. No, ma'am. Okay. So, the picture is taken after the 4 Q. 5 apartments are torn down; is that correct? 6 A. Yes, ma'am. 7 All right. Q. 8 MS. PRIMM: Your Honor, at this time I'm going to offer State's Exhibits 1 through 25. 9 will tender to opposing counsel for any objections he 10 11 may have. 12 MR. I'm going to refer you to 23 State's Exhibits 1 through 25 again that Ms. Primm just showed you. Are there any changes, anything 24 2.5 different about the scene as they are depicted in the

photographs than the conditions would have existed 1 back on June 11, 2008? 2 3 A. No. All right. And now, you said earlier that 4 Q. 5 the apartments are not in the pictures; is that 6 correct? 7 A. Uh-huh (affirmative.) 8 Q. And just for the record, can you say "yes" or "no"? 9 10 A. Oh, yes. 11 0. Thank you. 12 A. Sorry. She gets on me all the time. I don't want 13 Q. her doing it to you. 14 15 So, would they be pictured if -- in 16 State's 1 through 25 if the photos had been taken while the apartments are still there? 17 18 A. Yes. 19 Okay. So, is it fair to say the apartment Q. 20 complex should be in those photos but it's not? 21 That was a terrible question, wasn't 22 it? I'm sorry. Let me back up. 23 Okay. Show me on State's Exhibits 1 through 25 where the apartment complex would be if it 24

were still standing. You can flip through them.

- A. Right here, along here (indicating).
- 2 Q. So, on the corner of Heno and Wilmington;
- 3 is that correct?
- 4 A. Uh-huh (affirmative.)
- 5 Q. Okay. And is that the area -- let me
- 6 | borrow these from you -- that's depicted -- it's
- 7 okay -- that's depicted in State's Exhibit 1,
- 8 | State's 2, State's 3, State's 4, State's 5? Is that
- 9 the same?
- 10 **A.** Uh-huh (affirmative.)
- 11 Q. State's 6, State's 7, State's 8, State's 9,
- 12 | 10, 11, 13, 14 -- I think that's it -- are those all

- 15 | A. (Indicating.) These are all where the
- 16 apartments were.
- 17 Q. Okay. So, this is a different wrought iron
- 18 | fence that we pick up with State's Exhibit 11?
- 19 A. That's the trail.
- 20 Q. Okay. So, not where the apartments would
- 21 have been?
- 22 A. Yeah. On this, the apartments would have
- 23 been here (indicating.)
- 24 Q. Right here (indicating)?
- 25 A. This is the back gate to the apartment

         Α.
 6
         Q.
                Okay. And same gate, same fence we see in
 7
     13?
 8
         Α.
               Correct.
                And 14?
 9
         Q.
10
         A.
                Correct.
11
                So, the complex was still there, they would
         Q.
     be pictured in all those exhibits that we just
12
     identified; is that correct?
13
14
         A.
                Correct.
15
         Q.
                Okay.
16
                     MR. VINAS: Your Honor, I would object
     to State's 1 through 10, 11, 13, and 14 as not fairly
17
     and accurately depicting the scene as it would have
18
19
     been on June 11, 2008.
20
                     THE COURT: Approach, please.
21
                     (At the Bench)
22
                     THE COURT: Even without the
23
     apartments, as long as the jury understands there
24
     used to be an apartment complex there --
25
                     MR. VINAS:
                                 Well --
```

```
THE COURT:
                                 Why is that --
1
                                 I mean, at this point I'm
 2
                    MR. VINAS:
     going to have to guess specifically why the State's
 3
     offering all these specific exhibits. I'm assuming
 4
     there is going to be -- and I have to assume -- that
 5
 6
     there is going to be kind of a walk-through as to the
 7
     trail, the path, and where it started and ended, a
8
     big part of that is that where the complex was, it is
9
     not on here.
10
                    MS. PRIMM:
                                 No.
                                      It hasn't changed,
11
     Your Honor, at all. The pathway from the apartment
12
     complex to the trail, that has not changed at all.
                    THE COURT:
                                 Okay.
13
14
                    MR. VINAS:
                                 And those are --
15
                    MS. PRIMM:
                                 Just the fact that the
16
     apartment --
17
                    MR. VINAS:
                                 Those, I haven't --
                                 Okay. One at a time.
18
                    THE COURT:
19
     So --
20
                    MR. VINAS:
                                 Sorry, Judge.
21
                                And just so I can do a
                    THE COURT:
22
     probative/prejudicial balances, what would they show.
23
                    MS. PRIMM:
                                 It goes to show the
24
     complainant -- also helps to show what the
25
     complainant had to walk around if she didn't walk
```

```
through the trail. She would have to walk all the
1
     way past the track, past Worthing High School, up and
 2
     around instead of taking the trail.
 3
                                           That's part of
     what these photographs -- it gives them an idea of
 4
 5
     what they are looking at. I don't mind saying every
 6
     time there was an apartment complex right in this
 7
     location. I don't think it changes the outlay or the
 8
     geography of the neighborhood.
 9
                    THE COURT: Thank you. Any other
10
     argument?
11
                    MR. VINAS:
                                No, Your Honor.
12
                    THE COURT: All right.
                                             Then I think
     you can explain the apartments --
13
14
                    MR. VINAS:
                                 Sure.
15
                    THE COURT: -- aren't there.
                                                   So, I
16
     find that the probative value outweighs any
17
     prejudicial value of the apartments being torn down.
18
     Your objections are overruled.
19
                    MR. VINAS:
                                 Thank you, Your Honor.
20
                    (End of Bench Discussion)
21
                    MS. PRIMM: Are 1 through 25 admitted,
22
     Your Honor?
23
                    THE COURT:
                                 Yes, ma'am.
24
                    MS. PRIMM: All right.

- Q. Now, when Jocelyn used to come over to your house to spend time with you, how would she get to your apartment?
  - A. She would either walk or catch the bus.
- Q. Okay. And how far of a walk was where Jocelyn lived from the Wilmington Apartments?
- A. They used to live on the side -- on the side of me. So, at first, she -- when she come through the trail -- it's a trail -- side way through the trail, it takes about 10 minutes because she stayed across from me. But she had moved from over there then. So, I didn't -- she lived -- after that it was down MLK. So, she had to walk to me. So, it took about -- 20, 30-minute walk to get to me.
- Q. Okay. Did Jocelyn have access to using a car?
- A. No, ma'am.
- Q. So, if she wanted to get anywhere, she either had to walk and/or take the bus?
  - A. Yes, ma'am.
- Q. Okay. Now, I want to draw your attention to June 11, 2008. At that time were you living at the Wilmington Apartments?
- 25 **A.** Yes, ma'am.

Okay. Now, that was summertime, correct? 1 Q. 2 Yes, ma'am. A . So, are you in school? 3 0. No, ma'am. 4 A . 5 That day, does anybody come over to your Q. 6 apartment? 7 A. Yes. 8 Q. Who? 9 A . Jocelyn. About what time of day is it that Jocelyn 10 Q. 11 comes over to your apartment? About 9:00, 9:30. 12 A. 13 Q. In the morning or at night? 14 A . In the morning. 15 Okay. Did y'all have plans for the day? Q. 16 A . No. We just sat around, just hanging out 17 at my granny house. 18 Q. Okay. Was that an usual thing for the two 19 of y'all to do? 20 A. Yes, ma'am. 21 Okay. So, how does Jocelyn get to your Q. 22 apartment there on June 11, 2008? 23 She walked. A. 24 Q. Okay. When she got there, what did y'all 25 do?

Watched TV, sit outside on a bench, sit and 1 A . eat, talk to my granny, just hanging out. 2 3 0. Okay. Just being teenagers, correct? Correct. 4 A. All right. Now, is anybody else at the 5 0. 6 apartment when y'all are there? 7 Yes, ma'am. A. 8 Q. Who? 9 A . My grandmother. Are any of your siblings there? 10 Q. 11 My little brother. A . Okay. Now, how long did Jocelyn stay at 12 Q. your apartment? 13 About two or three hours, I want to say. 14 A. 15 Okay. What made Jocelyn decide to leave Q. 16 from your apartment? She had a phone call from her mom --17 A. 18 Q. Okay. -- telling her to come home. 19 A. 20 Q. All right. And after the phone call from 21 her mom, what did Jocelyn do? 22 A . We walked outside. I walked her to the 23 gate by the trail, and we departed from there. 24 Q. Okay. Now, I have heard you talk about the

trail a couple of different times. Can you tell the

25

- ladies and gentlemen of the jury what the trail -
  what are you talking about when you say "the trail"?

  A. It's just a little way to walk. Like if we

  wanted to get to the grocery store, we can walk down
  - wanted to get to the grocery store, we can walk down the trail to get to it. But it's like a lot of people don't go through there. It's not a lot of cars. So, it's like where the woods at; but it's a street.
- 9 Q. Okay. And does that save you time when 10 you're walking places?
  - A. Yes, ma'am.

5

6

7

8

11

- 12 Q. A lot of time or a little time?
- 13 A. It saves a little time and -- versus going
  14 all the way around to the main street.
- 15 Q. Okay. And I'm going to show you State's 16 Exhibit 7.
- 17 **A.** Yes, ma'am.
- 18 Q. All right. If you look to the side of you,
  19 you can see it, I believe. Should be able to see.
- All right. We're seeing an open field
- 21 here in 7?
- 22 **A.** Yes, ma'am.
- 23 Q. What used to be in this area?
- A. Apartments.
- 25 Q. Okay. The apartments that you used to live

1 in? 2 A . Correct. All right. Now, on the fence on -- if 3 0. you're looking at the picture, it would be the left 4 5 side of the picture. 6 A. Yes, ma'am. 7 There is like a black iron fence. What is 0. on the other side of that fence, ma'am? 8 Α. The school. 9 What school? 10 0. 11 Worthing High School. A . 12 Q. Okay. And behind where the apartments 13 would have been, you see like a red little building. What is that behind the fence? 14 15 That is the daycare center. A. Q. 16 Okay. Now showing you State's Exhibit 11. What do we see here in State's Exhibit 11? 17 The trail. 18 A. 19 Okay. Is that on the opposite side of the 0. 20 fence that separates the apartments from Worthing 2.1 High School? 22 A . Yes, ma'am. 23 All right. Now, you say a trail. Q. 24 A. Uh-huh (affirmative.)

Was there an opening here in this fence at

25

Q.

all to get to the trail? 1 2 A . Yes, ma'am. It was an opening. Was it a gate, or what was it? 3 0. It was a gate with a door. 4 A. 5 Okay. And this bridge right here, is this 0. 6 what you -- the way to the trail? 7 Yes, ma'am. A . And State's Exhibit 12, is that the trail 8 Q. looking from the Wilmington Apartments towards the 9 street that you would go down? 10 11 A. Correct. 12 Q. Now, what's under here? What is --13 A . The bayou. I -- the bayou. 14 0. Okay. Where does this trail come out? Where does it end? 15 16 A. At Cullen and Wilmington. What's at the corner of Cullen and 17 Q. 18 Wilmington? 19 A. It's a Chase, a multipurpose center, and 20 Fiesta. 2.1 Okay. So, a lot of places that you may Q. 22 need to go? 23 A. Correct. 24 If you didn't go down that trail, is there Q. 25 a foot bridge to go down Wilmington to get to Cullen?

1 A . Yes, ma'am. 2 How would you get around to go to the Q. grocery store or the service center? 3 You have to come out the apartments the 4 5 other way and go all the way around to Reed Road and 6 Scott. 7 Okay. So, you would have to walk down 0. 8 Wilmington the other way to -- I think it's Culver Is that -- what street is on the other side 9 Street. of Wilmington by the high school? 10 11 A. This -- Reed Road and Scott. 12 Q. Reed? 13 A . Okay. Reed and Scott? 14 0. Uh-huh (affirmative.) 15 A. Q. 16 Then you have to walk there? 17 And walk down Reed Road to Cullen. A. Okay. How much longer does that take than 18 Q. walking down Wilmington? 19 The main street? 20 A. 2.1 Q. Yes. 22 A . I want to say about 20 or 30-minute walk. 23 Okay. So, it's hot in the summer. Q. 24 a big distance, isn't it?

Is this the trail, as well? 1 A. Yes, ma'am. 2 All right. And that looks like --3 0. A building. It was a business. I don't 4 A. know what kind of business it was, but it was there. 5 6 Q. Okay. How -- how busy is that business? 7 It wasn't really just that busy. A . 8 Q. Okay. Did you see a bunch of people in and out of there? 9 10 A. Not really. 11 Okay. So, when you talk about the trail --Q. 12 A. Yes, ma'am. 13 Q. Jocelyn leaves your apartment complex, 14 correct? 15 A. Yes, ma'am. 16 Q. And she goes down the trail, correct? 17 Correct. A. 18 Q. When you saw -- did you leave out of your 19 apartment when Jocelyn left? 20 A. Yes, ma'am. I walked her to the end -- to 21 the entrance of the bridge. 22 Q. Okay. 23 Out the gate. A . 24 Okay. So, when Jocelyn leaves her --Q. 25 leaves you, she is walking down this bridge; is that

correct? 1 2 Α. Correct. How long did you stay and watch her walk? 3 0. We just said bye and stuff to each other 4 A. 5 and I went back in the house and she proceeded to the 6 trail. 7 Okay. Anything strange about that day? 0. 8 A. No, ma'am. It was a regular day. 9 Okay. So, you walk down -- you see her Q. 10 walk down, and you go back to your apartment. About 11 how long is Jocelyn gone? 12 Well, for about 20 minutes. A. 13 Q. Okay. And does she come back to your 14 apartment? 15 A. The same day? 16 Q. Yes, that same day. Does she come back later that day? 17 18 A . Correct. 19 Okay. And how much longer is it when she 0. 20 comes back to your apartment? 2.1 A . She came back the next 30 minutes after 22 that. 23 Okay. So, you see her leaving? Q. 24 A. Correct. 25 Q. You go back to your apartment, and 30

minutes later she is back? 1 Α. Uh-huh (affirmative.) 2 3 0. Were you expecting her back? 4 A. No. 5 When she came back, how did you know that 0. 6 she was back? 7 She came back, and she didn't have on no A . 8 shoes or anything. 9 MR. VINAS: Object to nonresponsive, Your Honor. 10 11 THE COURT: Sustained. That just 12 means you have to listen carefully to the question, 13 and answer the question that's asked. 14 Would you ask your question again? 15 MS. PRIMM: Yes, ma'am. 16 0. (BY MS. PRIMM) I asked how did you know she was back? Did she knock on the door? How did you 17 know that Jocelyn was back at your apartment? 18 19 Α. She came to the door. 20 Q. Okay. When she came to the door, did you go see what was going on? 21 22 A . Yes, ma'am. 23 Did you notice anything about Jocelyn when Q. you came back to the door? 24 25 A . Yes, ma'am.

What did you notice about her? 1 Q. 2 A . She was upset. How could you tell she was upset? 3 0. She was crying and shaking. 4 A. 5 And when you saw her crying and shaking at Q. 6 the door, what did you do? 7 I asked her was she okay. A . 8 Q. And what did Jocelyn do when you asked her if she was okay? 9 10 A . She said no. 11 Did you ask her any additional questions? Q. 12 A. I asked her what happened to her. 1 A . No, ma'am. 2 Was she -- was there anything wrong with Q. her hair or her clothing? 3 Yes, ma'am. 4 A. 5 0. What was wrong with her hair or her 6 clothing? 7 It was messed up. A . 8 Q. What do you mean "messed up"? Like someone had drug her. 9 A. Okay. And you mentioned her shoes earlier. 10 Q. 11 What about her shoes? She didn't have them on when she came back. 12 A. 13 Q. Okay. Did she have them on when she left? 14 A . Yes, ma'am. 15 When you were trying to find out -- when Q. 16 you asked her if she was okay, what were you trying to figure out? 17  $\boldsymbol{A}$  . What happened to her, like why did she come 18 back like that. 19 20 Q. Okay. You said she was crying. Did -- was 21 she still upset over what had just occurred to her? 22 A . Yes. 23 Now, did she still seem to be stressed out Q. 24 or thinking about what had just happened to her? 25 Α. Yes.

Did you ask her what happened? 1 Q. Yes, ma'am. 2 A . What did she say? 3 0. She got raped. 4 A. 5 When she said that, what did you think? Q. 6 MR. VINAS: Judge, I object to 7 relevance as to what she thought. 8 THE COURT: Over -- overruled. 9 Q. (BY MS. PRIMM) That means you can answer it. 10 11 Okay. Like -- I was just like who could do 12 this to her, like I was -- it was a lot of things going through my head, but I was more concerned was 13 14 she going to be okay. 15 Q. Okay. So, after she told you she had been 16 raped, what did you do? I called 911. 17 Α. 18 Q. Why did you call 911? 19 So that they can check on her and make sure A. 20 she was okay. 21 Q. After you called 911, did you stay on the 22 phone with 911, the operator? 23 Yes, ma'am. A . 24 Okay. And where was Jocelyn when you Q. 25 called 911?

She was sitting on the couch. A .

Twenty-seven years. 1 A . 2 Q. What did you do for the Houston Police Department? 3 Α. Patrolman. 4 5 0. How long were you on patrol? 6  $\boldsymbol{A}$  . Twenty-seven years. 7 Why did you choose to stay on patrol for 27 0. years? 8 9 A. I enjoyed patrol. I'm a patrolman. 10 Q. What about patrolling is enjoyable to you? 11 We get -- I get to meet a lot of different 12 people, and also it gives you an opportunity to help a lot of times. 13 14 All right. Now, when you worked with HPD 15 the 27 years and you patrolled with HPD, what area of 16 town did you patrol? 17 I only patrolled basically two areas, 18 Denver Harbor and southeast patrolman. 19 Where is Denver Harbor located in the city? 0. 20 A . The Harrisburg, 75N Macario Garcia area. 21 Okay. And southeast, what part of Q. 22 southeast did you patrol? My area was basically from Yellowstone to 23 24 Almeda-Genoa and from, at that point, 288 to Mykawa.

Okay. Now, in that area in southeast, how

  - A. Just a little, yes.
- Q. Okay. Would you describe that area of town for the ladies and gentlemen of the jury?
  - A. Southeast is a -- has become a very diverse area, but the majority is still an African American or black community. It's a little -- it's just now beginning to come back a little, but it has still -- still a -- I will say low income.
- Q. Okay. And in the area -- is it common for people to be walking in this particular part of town?
  - A. Exactly. Yes.
  - Q. Okay. How do -- in fact, how do most people get around this part of town?
- 22 A. Mostly using the bus.
- Q. Okay. Some people have to walk to and from the bus stop to get places?
- 25 **A.** Yes.

Now -- and I forgot to mention. You're now 1 Q. Precinct 7? 2 3 A. Right. What do you do at Precinct 7? 4 Q. 5 Α. Patrolman. 6 Q. And what area of town do you patrol? 7 Now I work in Brunswick, which is the A . 8 Beltway all the way up to Almeda-Genoa. 9 Q. All right. 10 MS. PRIMM: May I approach the 11 witness, Your Honor? 12 THE COURT: Yes, ma'am. (BY MS. PRIMM) Has the area -- when we go 13 Q. 14 back to southeast, what year did you start in southeast? 15 16 A. 1981. Okay. And what year did you leave 17 Q. southeast? 18 19 A. Probably 2009. 20 Q. Okay. And in that time period, has that 21 area of town changed much? 22 A . It has changed some. Like I said, it's 23 just now coming back. 24 0. When you say "coming back," can you tell me 25 what you mean by that?

I mean it's -- people are beginning --1 A . 2 younger people are beginning to move back in, build new homes. Businesses are beginning to come back. 3 They have already come back some, but it's really on 4 5 the upswing now a little. 6 Q. Okay. Ma'am, I'm going to show you what's 7 been marked for identification purposes as State's Exhibit 32. 8 9 If you could, ma'am, can you take a look at that map for me, please? 10 11 (Witness complies.) Uh-huh (affirmative.) 12 Q. Okay. Do you recognize -- do you recognize 13 what that -- what's depicted in that map? 14 A. Yeah. It's southeast. Pretty much 15 southeast. 16 0. Okay. Do you think this would help the 17 jury understand what area of town we're talking 18 about? 19 Α. Yes. 20 MS. PRIMM: Your Honor, at this time I'm going to offer State's Exhibit 33. Tender to 21 22 opposing --23 I thought you said 32. MR. VINAS: 24 MS. PRIMM: Sorry. You're right. 32. 25 MR. VINAS: No objection, Judge.

I'm going to put 7 it up here and -- oh, well, maybe not. Thank you, 8 ma'am. 9 All right. The major thoroughfares 10 that we're talking about, the line that goes across 11 the board here, the big orange line, what freeway is 12 that? 13 A . 610 freeway. 14 MR. VINAS: May I -- hang on. 15 Judge, may I ask to move around so I 16 can see? 17 THE COURT: Sure. 18 Let me stop just a moment. All of the 19 lawyers are so polite, and I really appreciate that. 20 But as long as you're not blocking somebody else's view, you can feel free to move around; and you don't 21 22 have to ask permission to proceed or to publish or to approach.                      THE COURT: Excuse me. When the

question. 1 2 THE WITNESS: Okay. 3 THE COURT: Thank you. (BY MS. PRIMM) So, you knew the -- without 4 Q. 5 saying what the alleged crime or what kind of call 6 you're responding to, correct? 7 A. Right. 8 Q. Now, why is it that the dispatcher -- why do you want that information from the dispatcher, 9 what type of crime you're responding to? 10 11 Because it gives you an opportunity to 12 prepare yourself both mentally and physically for 13 what you're about to confront. 14 0. Okay. So, you hear the dispatch. Do you 15 respond to the call? 16 Α. Yes. About how long did it take you to get to 17 Q. the call? 18 19 A. I arrived at approximately 1407, 2:07. 20 Q. Okay. And when you arrived at the 21 location, where did you go? 22 A . I went -- I don't think -- if I can recall 23 correctly, I didn't have an exact apartment number. 24 So, I just went to the actual apartments and just 25 went in the courtyard to -- and I was approached by a complainant.

- Q. All right. And a complainant. When you were approached by her, did you notice anything about her physically?
  - A. She seemed to be very upset, and she was pretty well in disarray.
  - Q. When you say "disarray," describe what you're talking about.
  - A. Her clothes was all messed up, and she was scratched all up and shaking and kind of crying. And she was a little, like, upset.
- Q. Okay. And did you take her anywhere to talk to her, or did you talk to her there?
  - A. Well, I talked to her a -- briefly where she approached me at. And from there I took her back to the location where she said the assault had happened.
  - Q. Okay. While you're talking to her briefly in the courtyard to the apartment complex, was she able to relay to you what had happened to her?
- A. Yes.
  - Q. Okay. And when she is relaying this information to you, can you describe how she was emotionally?
    - A. She was -- she was pretty distraught. She

was -- she kept telling me about --1 Judge, I object. At this 2 MR. VINAS: point it's still hearsay until the predicate is laid. 3 THE COURT: Sustained. 4 5 (BY MS. PRIMM) If you could, just describe 0. 6 her -- how she was emotionally. 7 She seemed very upset. Like I said, she A . 8 was shaking, half crying, real nervous, watching her 9 back, looking around, making sure everything was -and I kept explaining -- I'm sorry. 10 11 Okay. It's all right. 0. 12 When you saw that she was shaking and 13 half crying, kept looking around, what did you say to her? 14 15 I told --A. 16 MR. VINAS: Judge, I object. That is 17 hearsay. 18 THE COURT: Overruled. 19 (BY MS. PRIMM) Okay. What did you say? Q. 20 A . I kept trying to comfort her and calm her down. Because I couldn't understand exactly what was 21 22 going on at first. And I just would tell her, Just 23 calm down. It's okay. We're going to handle it. 24 What's the problem? Show me what's going on. 25 Q. Okay. Were you able to calm her down

- enough to the point where she could actually relay what had occurred that you could understand?

  A. Exactly. Yes.
  - Q. All right. About how long do you think it took to calm her down to the point that you could understand her?
  - A. It took -- it took approximately maybe about 10, 15 minutes just trying to soothe her.
  - Q. Was she still upset about what had just occurred to her?
  - A. Yes.

  - Q. After she told you that she had been raped, what did you want her to do?
  - A. The main thing I told her was to -- I did not want her to forget the intricate details of what had happened to her.
  - MR. VINAS: Judge, again, I object to Deputy' Chillis' portion of the conversation as her statements are out of court, offered for the truth of the matter asserted. They're hearsay and do not fall under any exception.

THE COURT: Sustained.

Q. (BY MS. PRIMM) When you spoke to her --

Uh-huh (affirmative.) 1 A . -- did you ask her to take you anywhere? 2 Q. Yes. I asked her to show me --3 A. MR. VINAS: Judge, again, her 4 5 statements are hearsay. 6 THE COURT: I think -- excuse me. 7 think a lot of this we can bypass if you simply ask: 8 What did you do next, rather than having the words 9 relayed. Sustained. (BY MS. PRIMM) Did you go anywhere with the 10 11 complainant? 12 A. I actually took the complainant back to the location where she said that the -- the assault had 13 14 occurred. 15 And how did y'all get to that location? Q. 16  $\boldsymbol{A}$  . We drove around in my patrol car. 17 Okay. When you say "drove around," how did Q. 18 you get around? 19 I had to go back to -- you have to go back A. 20 up Scott, come all the way back around Reed, and then 21 come all the way back down Cullen and then go over to 22 Wilmington. 23 Okay. Because you can't go in the car Q.

straight through on Wilmington, can you?

No, ma'am.

24

25

A.

- Q. So, you get around. When you go back to
  the area, can you describe how -- what that area is
  like to the jury?
  A. It's a -- it's a -- it's a two-lane street,
- but it's a very -- at that time it was not -- it was not very well kept. So, it had a lot of potholes.

  And, in fact, there was a watch group or persons out there looking at the area at the time that I took her back there. It was -- it's very wooded, a lot of abandoned buildings, fence lines that are broken with horses, and it's a pretty vacant area.
- Q. Okay. If one were walking down that area and were to scream, would there be anybody at a nearby business or home to hear them?

MR. VINAS: Objection, speculation.

THE COURT: Sustained. You need to

17 rephrase.

- Q. (BY MS. PRIMM) Are there any homes back
  there, ma'am?
- A. None where people live. They are abandoned homes.
- Q. All right. Is there businesses? Are they active businesses where people are coming and going to and from the businesses?
  - A. No. No.

Are there other people waiting for buses or 1 Q. in that area? 2 There would be other people waiting for 3 buses, but it would be about four blocks up. 4 5 Okay. So, quite a distance from where 6 we're talking about? 7 Exactly. A . 8 Q. All right. Now, did you get out of the car 9 at some point? 10 A. Yes. Okay. Did the complainant get out of the 11 0. 12 car, as well? 13 A . Yes, ma'am. 14 0. Were you directed to a particular area? 15 It was an area inside a -- a field. A. 16 Q. Okay. And the field -- to get to the field 17 from the road, what -- is there anything prohibiting 18 you from getting to the field from the road? There is a barbed wire fence. It was kind 19 A. 20 of broken down. It's there. 21 And on the other side of the barbed wire Q. fence, what does the area look like? 22 23 High weeds, junk, trees, debris. A . 24 Does the state maintain this area at that 0.

time at all?

- A. No. City doesn't own it.
- Q. Ma'am, I'm showing you what's been admitted
  as State's Exhibit 21. There is --
  - A. Barbed wire fence.
- Q. Barbed wire fence. Is that the fence that we're talking about that separated the wooded area from the paved area?
  - A. Yes, it is.
- Q. All right. And did you get past that barbed wire fence when you got out of the car?
- 11 A. Yes, we did.

    - A. Yes, ma'am. She showed me an area further back up in the field. I can't see it here, but further back up in the field. In fact, I found her shoes in that particular spot.
    - Q. Did you -- when you -- the area you found her shoe, did you notice anything about the grass or field in this particular area?
- 24 A. In this particular area, there was a -- an area where the grass had been mashed down, as though

- people had been laying on it.
  - Q. Okay. Did that stand out in your mind in that particular area?
    - A. Yes, because the other grass was so high.

- 14 Q. All right. Did you find anything else in that high grass area there?
  - A. Not that I can recall offhand.
- 17 Q. Were you looking for anything else there?
- A. Yes, I was. I was looking for signs of torn clothing. I was looking for blood. I was looking for anything that would help substantiate what her claims were.
  - Q. Okay. Were you able to locate anything else other than her shoe?
    - A. None. Not that I recall at this time, no.
- 25 Q. After you took her there to the scene and

- you saw the area that she pointed out, did you notice anything about her -- her body, the way her body looked?
  - A. She had minor cuts and bruises from the top of her head to the bottom of her feet.
  - Q. And did that seem consistent with somebody being in this area?
    - A. Yes.

- Q. After she took you back there and you found her shoe, what did you do with her shoe?
- A. It was tagged into evidence in the property room for the police department.
- Q. Okay. When you say you tagged something in evidence, can you tell the ladies and gentlemen of the jury the process that you go through?
- A. Well, first of all, I just take it; and I put it in a -- usually, I use a brown paper bag to preserve anything that's -- that might be evidence.

  And then I will tag it or -- when I say "tag it," I mean I will write -- we have a tag, literally a tag, and write all the information -- the case number, the complainant's name, the type of offense, and all of that.

And then I will contact the -- the division concerned. Once I contacted the division

- concerned, I will get authorizations from one of 1 their supervisors in order to tag it under a 2 particular case number. I will take it to the 3 property room. Back then it was on Goliad, but I 4 5 think they moved now. And I just label it and tag it into evidence there. 6 7 Okay. And is that -- so, it's basically 0. 8 for safekeeping? 9 A. Right. The general public doesn't have access to 10 0. 11 it, correct? 12 A. No. 13 Q. All right. After you tagging the shoe, 14 where -- where was the complainant taken? I had her transported to Hermann Hospital. 15 A. 16
  - Q. Why did you want the complainant transported to Hermann Hospital?
  - A. Because I wanted a rape kit done.

- Q. Okay. And in your experience in law enforcement, what is the point of having a sexual assault kit done?
- A. It is to obtain evidence from -- from the suspect and also to substantiate what the complainant has made statements about.
  - Q. Okay. Now, also, when you were talking to

the complainant, did you want to get any type of 1 description of the person that attacked her? 2 3 A. Yes. Why do you want that? 4 Q. 5 It's -- first of all, because it's just so 6 that we can -- I'm about to GB, which means general 7 broadcast. To be able to GB over the radio in 8 case -- in case the suspect is still in the area, in case that there are other officers who are aware of 9 like cases. 10 11 All right. And when you get a description 12 from somebody, what kind of questions do you ask 13 them? 14 A . Main thing, race, sex, and age, approximate height, approximate build, tattoos, identifiers, 15 16 markings, cuts, deep cuts that would be permanent, eye color, hair color, length, mustache, beard. 17 18 Q. Okay. And was the complainant able to give 19 you a description of the person that attacked her? 20 A. She was able to give me a description, yes. What description did she give you? 21 Q. 22 A . She told me it was a black male, about 5'8.

24
                     THE WITNESS: Yes, ma'am.

                     MS. PRIMM: Yes, ma'am.

1
                     THE COURT:
                                 Thank you.
                     MR. VINAS: Your Honor, may I approach
 2
     briefly, Judge?
 3
                     THE COURT:
 4
                                 Okay.
 5
                     (At the Bench)
 6
                     MR. VINAS:
                                 The only objection I would
 7
     have would be --
 8
                     THE COURT:
                                 Sorry. I didn't hear.
 9
                                 I'm sorry.
                     MR. VINAS:
10
                     THE COURT:
                                 I can't hear you.
11
                                 The only objection I would
                     MR. VINAS:
12
     have would be to the tag on --
13
                     THE COURT: That's clearly hearsay --
14
                     MR. VINAS:
                                 Right.
15
                     THE COURT:
                                 -- isn't it?
16
                     MR. VINAS:
                                 That's my objection.
17
     So --
                     THE COURT: It's sustained as to the
18
19
     tag. So, Ms. -- just pull it off.
20
                     MS. PRIMM:
                                 Okay.
21
                     MR. VINAS: And that's my only
22
     objection.
                 Once that is remedied, no objection.
23
                     THE COURT:
                                 Okay.
24
                     (End of Bench Discussion)

                     THE COURT: Thank you. Once the tag

is removed, then the exhibit is admitted. 1 (BY MS. PRIMM) And, Officer Chillis, you 2 Q. said that when you were done speaking to the 3 complainant, that she left in an ambulance; is that 4 5 correct? 6 A. Yes. Yes, ma'am. 7 And was it EMS that made the scene, ma'am? 0. 8 A. Yes. 9 One question I almost forget to ask. Q. The 10 location that we're talking about, is that in 11 Houston, Harris County, Texas? Yes, it is. 12 A. MS. PRIMM: Your Honor, at this time I 13 offer State's Exhibit 34, the -- oops. They are the 14 15 EMS records for Ms. Jocelyn Batiz. They have been on 16 file, and notice has been given to the Defense 17 counsel. MR. VINAS3: 34, you said? 18 19 MS. PRIMM: 34, yes, sir. 20 (At the Bench) 21 MR. VINAS: No objection to most of 22 it, other than I would object to -- on the actual 23 pages that say "Houston Fire Department," Ms. Batiz

gives a recount brief of the events; and I would

object to that being hearsay. Obviously, it's

24

25

hearsay within hearsay. Obviously, the State has 1 cured one level of hearsay with the business records 2 3 affidavit they did give me way more than 14 days ago. But just those two -- those two boxes of information 4 5 on here that talk about what happened. 6 MS. PRIMM: Made for medical diagnosis 7 and treatment. 8 THE COURT: I would say -- I think the 9 case law is pretty clear that anything regarding 10 identification is not for medical treatment, but anything that describes the actual episode is. 11 12 MR. VINAS: Huh? 13 THE COURT: So, are you referring just 14 to that she was sexually assaulted and details or 15 something else? 16 MR. VINAS: Right. That's it. 17 mean, she does -- she does describe the injury. 18 was punched, and I think you're clear on that. But 19 where she talks about, you know, an unknown male --20 there is even one, I think, where it says -- well, uses the word "intentional" in here. I mean, if it's 21 22 more of a descriptive, then I think that would need 23 to be done for medical purposes. 24 THE COURT: I don't think that that's 25 what the law says.

```
1
                     MR. VINAS:
                                 Okay.
 2
                     THE COURT:
                                 It's -- I say description.
     I don't -- I think your objection would be good if
 3
     she gives height and weight.
 4
 5
                     MR. VINAS:
                                 I --
                     THE COURT: Right?
 6
 7
                     MR. VINAS: Clearly.
                     THE COURT: But if it's details about
 8
 9
     the actual assault, I think that goes to medical
10
     treatment.
11
                     MR. VINAS:
                                 I understand.
                                 And highly probative.
12
                     THE COURT:
13
                     MR. VINAS:
                                 Understood.
14
                     THE COURT:
                                 So, is there anything
15
     about a description about the offender or just the
16
     description?
17
                     MR. VINAS:
                                 Sexual assault. The only
18
     description she says is unknown assailant, which is
19
     no description.
                     THE COURT: Okay. Your objection is
20
21
     overruled.
22
                     MR. VINAS:
                                 That's 34?
23
                     THE COURT:
                                 Yes.
24
                     (End of Bench Discussion)

 5
 6
          Q.
                (BY MR. VINAS) I'm going to jump around a
 7
     little bit. You said that it's Deputy Chillis now;
     is that correct?
 8
 9
          A.
                Exactly.
                Okay. Forgive me if I call you "officer."
10
11
     I know you don't find it offensive, but I'm used to
12
     reading your name as Officer Chillis.
13
                     You said you were with HPD for 27
14
     years?
15
          A.
                Yes.
16
          Q.
                And then you went straight over to
17
     Precinct 7?
18
         A .
                Yes.
19
                Any gap in your employment?
          0.
20
          A.
                Two weeks.
21
                What was the reason for you leaving HPD?
          Q.
22
          A .
                Retired.
23
                So, you're doubling up on that pension?
          Q.
24
          A.
                Yeah.
25
                Good for you.
          Q.
```

1 Okay. So, what -- I know you were in patrol when you were at HPD. What was your rank when 2 you retired? 3 Patrolman. 4 A. 5 0. Okay. And do they rank patrolmen at 6 levels, or is that the rank, patrolman? 7 I'm a senior deputy -- I mean, senior A . 8 officer. But, yeah, it's no more money. 9 Q. Okay. That's a shame. 10 A. Me, too. 11 No sergeant, lieutenant, anything like Q. that? 12 13 A. No. 14 And there are sergeants in the patrol 0. division at HPD; is that correct? 15 16 A. Yes, there are. And they, in fact, go all the way up the 17 Q. chain probably to assistant chief? 18 19 Exactly, yes. A. 20 Q. And what is your rank over at Precinct 7? 21 Patrolman. A. 22 Q. Okay. And do they have the same similar 23 ranking system in Precinct 7 that they do in HPD? 24 A. Yes. 25 Q. And you gave some good reasons for wanting

to be on patrol. You never -- crime scene 1 investigation or anything like that just never 2 appealed to you? 3 Not really, no. 4 A. 5 0. Did you ever want to leave the patrol division? 6 7 A. Not particularly. 8 Q. I see. Now, you said earlier that this happened right before 2:00; is that correct? 9 10 A. Exactly. 11 And when I say "this happened," that's when 0. you got dispatched, was right before 2:00? 12 13 A . Exactly. Yes. 14 0. Okay. Okay. How late did you stay until Ms. Batiz went in the ambulance? 15 16 I'm sure it took -- normally takes me probably about 45 minutes to an hour or more. 17 Okay. So, fair to say you left -- was it 18 Q. 4306 Wilmington? 19 20 A. Right. 21 Roughly around 3:00 give or take? Q. 22 A . I would say give or take, just about. 23 wouldn't -- I can't be positive. Somewhere in there. 24 Q. Okay. Now, you said when you pulled up to 4306 Wilmington, you didn't have an apartment number; 25

is that right? Correct? 1 Α. Uh-huh. Yes. 2 Okay. And you have got to verbalize for 3 0. the record. 4 5 Α. I'm sorry. My mistake. 6 Q. Okay. Rough estimate, how many units would 7 you say are in -- or were in the Wilmington 8 Apartments back on June 11, 2008? You mean that check by with me? 9 A. No, not police units. Apartment units. 10 0. 11 Oh, that was one of the smaller units. 12 I would not begin to venture to guess, but it's a small complex. If there were -- if there were 30 13 14 apartments there, maybe. 15 Okay. Before Ms. Batiz came up to you, did Q. 16 you go knock on any doors to see if anybody knew? 17 A. No. I just walked -- mainly walked in the 18 courtyard. 19 Okay. 0. 20 A . Just trying to see -- waiting on a 21 complainant to come to me. 22 0. Surveying, just kind of seeing who comes to 23 you? 24 A. Yes. Yes.

Okay. So, you didn't talk -- at that point

25

Q.

didn't talk to any of the neighbors to see if anybody 1 had seen or heard anything? 2 No. 3 A. No. Didn't knock on any doors? 4 Q. 5 Α. None that I recall, no. 6 Q. After Ms. Batiz left in the ambulance, did 7 you come back and do that? 8 A. No. 9 And, obviously, once you got there, once Q. you got dispatched, you understood what kind of call 10 11 this was; is that correct? 12 A. Yes. 13 Q. And so, I mean, obviously, a serious case? 14 A . Yes. 15 One of the most serious that you will see Q. 16 as a patrol officer or deputy? 17 A. Yes. You said also that -- that once Ms. Batiz 18 Q. 19 approached you, you obviously had some conversation 20 and then you took her over to the field? 2.1 Vacant field, yes. A. 22 0. Okay. How -- on State's Exhibit -- what 23 was that exhibit number? 21, the picture of the 24 barbed wire fence.

How high would you say that barbed

25

1
     wire fence was?
 2
          A.
                The -- as far as the top of it or the
     whole --
 3
          Q.
                Just --
 4
                This piece here (indicating)?
 5
          Α.
 6
          Q.
                Just that wire, yes.
 7
                I wouldn't say it was no more than maybe
          A .
     2 feet, 3 feet off the ground.
 8
 9
          Q.
                Okay. Now, you stepped on it --
                Uh-huh (affirmative.)
10
          A.

                -- to push it down.
          0.
12
                      So, you got it down to lower than like
     your hip?
13

                Yes.
15
                About knee height?
          Q.
16
                I would say -- actually, I think it was
     actually a little lower.
17
          Q.
              A little lower. So, somewhere between on
18
     your shin?
19
20
          A.
                Yes.
21
                Okay. And pretty loose because you were
          Q.
22
     able to step on it?
23
          A .
                Exactly, yes.
24
          Q.
                Had some slack in it?
25
          Α.
                Yes.
```

Now, when you went out there, you said you 1 Q. mentioned something about some other people had been 2 back there that you and the complainant passed; is 3 that correct? 4 5 Α. No. Yeah, there was neighborhood 6 protection was back there. But they came up after 7 she and I had already gone into the area. 8 Q. Okay. You didn't talk to them? 9 A. Oh, yes. You did? 10 0. 11 A . Yes. 12 Q. Okay. All right. And then -- so, once you 13 went into the field, you said you looked around and 14 you found -- and I believe your testimony was you 15 found one shoe, but we have got two shoes --16 A. Right. -- in State's Exhibit --17 Q. 18 A . Right. 19 -- 39. 0. 20 Okay. Did you find them both in the 21 field. 22 A . I think, if I recall correctly, one shoe 23 was like going in; and one shoe was like at the 24 actual location.

All right. And you looked around --

### Priscilla Chillis - September 15, 2015 Cross-Examination by Mr. Vinas

1 A . Yes. 2 Q. -- you said. Your words were you were looking for 3 something to help substantiate her claims; is that 4 5 correct? 6 A. Yes. 7 You testified you didn't find any blood? 0. 8 Α. No. You didn't find any semen? 9 Q. 10 A. No. 11 You didn't find a pocketknife? 0. 12 A. No. You didn't find a condom? 13 Q. 14 A . No. 15 Didn't find a condom wrapper? Q. 16 Α. No. And you would agree with me that based on 17 Q. your experience as a peace officer, those kinds of 18 19 things could be -- could have some pretty good 20 evidentiary value in a case like this? 2.1 A . Yes. 22 And you said that -- before I objected, 23 Ms. Primm asked you the question: Is a pocketknife a 24 deadly weapon? And then when she rephrased it, it 25 was: Can a pocketknife be a deadly weapon?

### Priscilla Chillis - September 15, 2015 Cross-Examination by Mr. Vinas

And to that, you said yes? 1 2 A . It can. But, I mean, all firearms are deadly 3 Q. weapons; is that correct, under the law in Texas? 4 Do 5 you know that? All firearms can be a -- can be a deadly 6 A. 7 weapon, yes. 8 Q. But not necessarily all knives are deadly 9 weapons. Would you agree with that? No, I wouldn't. 10 A. 11 Okay. Well, you understand that's Q. 12 basically what the law says, right? Well --13 A. I mean, if you do, you do. If you don't, 14 15 it's okay. 16 Are you asking me can all -- all knives --17 pocketknives be a deadly weapon, my answer to that, 18 yes. 19 Okay. Did you ever recover a pocketknife Q. 20 in this case? 2.1 A. In this case, no. 22 0. Did you ever see a pocketknife --23 No. A . 24 Q. -- in this case? 25 So, you can't testify as to what kind

 2

                Okay. What was the weather like at that

 4
 5
     know it's hot. Even though there is a cold front,
 6
     it's hot.
 7
                     Sunny? Cloudy? Raining? Do you

     recall?
                If I recall correctly, it was just -- it
 9
         A .
10
     was just a hot Houston day.
11
                Okay. And you testified that there was a
12
     bus stop up the road from this field that we see in
     State's Exhibit 21; is that correct?
13
14
         A .
                Yes, it is.
15
                But you didn't go down there to see if

 2
 3
         A.
                Yes.

 8
     straight, it leads all the way -- all the way to like
     Fiesta and the WIC office.
 9
                Is that the Fiesta that's on Cullen?
10
         0.

         A.
22
         Q.

```

I was walking; and like I said, I seen a 1 A . guy, looked like he was looking for something. So, I 2 didn't think nothing of it. So, when I walked like 3 right here and right here (indicating) before I -- I 4 5 thought I could walk past him, but I didn't get a 6 chance to. 7 What happened when you were walking past 0. him? 8 9 When I was walking, he just grabbed me, put A . 10 the knife to my neck. 11 Jocelyn, when he grabbed you, can you tell us where his hands were? 12 13 A . (BY MR. PENEGUY) Jocelyn, do you remember 1 Q. exactly what year that was? 2 3 A. No. Okay. But does it show you a little bit 4 Q. 5 younger? 6 A. Yes. 7 MR. PENEGUY: I pass the witness. 8 THE COURT: Thank you. Cross-examination? 9 MR. GRAHAM: Thank you, Judge. 10 11 CROSS-EXAMINATION (BY MR. GRAHAM) Hi, Ms. Batiz. My name is 12 Q. 13 Spence Graham. I'm going to be asking you some 14 questions. If there is anything that you want me to 15 rephrase, anything you have trouble understanding 16 what my question is, please let me know. If you need a break at any point, please let me know. Okay? 17 Yes, sir. 18 A. 19 Are you doing okay right now? Do you need 0. 20 a glass of water or anything? 21 I want to go home. A. 22 0. Okay. I can certainly understand that. 23 just have a few questions for you, just to make sure 24 that I understand everything that you have told us 25 here today. Okay?

1 Let's -- let's go back a little bit to what you were talking about in the beginning with 2 your good friend Denise. You guys had been friends 3 for how long up in 2008? 4 A long time. 5 Α. 6 Q. Okay. And would you say that you went over 7 to her house on almost daily basis? 8 A. Yes. Okay. Did she come to your house 9 Q. sometimes, too? 10 11 A. Yes. Okay. And the way that you would get there 12 Q. 13 normally is to use your card and take the Metro bus? 14  $\boldsymbol{A}$  . Yes. 15 Okay. Sometimes you would walk? Q. 16 A. Yes. Do you know about how long it takes to walk 17 Q. 18 from your place on Burns over to her apartments? 19 A. Probably not that long. 20 Q. Okay. Did you have a watch with you or 21 anything? Did you ever time it? 22 A . No. 23 Okay. But a shorter bus ride? A Q. few-minute bus ride, I guess? 24 25 Α. Yes.

- Okay. On June 11, 2008, did you -- first 1 Q. of all, this was a Wednesday, right? 2 3 A. Yes. Okay. And it was summertime. So, were you 4 Q. off from school at that time? 5 6 A. Yes. 7 Okay. So, what were your days like Q. 8 normally? Like during the day, what did you normally do? 9 When I'm bored, I will just go to her house 10 A. 11 and fall asleep. Sometimes I spend the night. 12 Sometimes when she know it's getting late, she will 13 tell me I need to go home and for me to call when I 14 get there. 15 Okay. Right. Okay. So, you know you're Q. 16 just, kind of summertime, trying to enjoy your time 17 off and enjoy your time with your friend, right?
- 18 **A.** Yes.

19

20

21

- Q. Okay. And on June 11th, did you call her from the house to let her know you were coming over or --
- 22 **A.** Yes.
- Q. Okay. And you said that you took your cell phone with you?
- 25 **A.** Yes.

And from -- from where you go to catch the 1 Q. bus, about how long of a walk is it from your house 2 to that bus stop? 3 Not that long. Because it's right there. 4 A. 5 Like the bus stop is like not that far from my house. 6 Q. Like a couple of blocks? A mile? You 7 know, how --8 A. Like a street over. 9 Street over. Okay. And then the bus stop Q. 10 that you would ordinarily get off from, is that the 11 one on -- near Fiesta on Cullen? 12 A. Yes, sir. 13 Q. And in order to get to Denise's house? 14 A . Yes, sir. 15 Okay. And do you know about what time it Q. 16 was that you got on the bus to go over to Denise's? Was it like morning time? Afternoon, you know? 17 18 A. It was like in the morning time. 19 Okay. Like early in the morning or --0. 20 A . I just -- probably around about 10:00. 21 Okay. And so, the bus rides -- did you Q. 22 wait long at the bus stop or --23 A. Yeah. 24 Okay. Do you know about when you got to Q.

the bus stop over at the Fiesta off Cullen?

25

1 A . Repeat that. Do you know about how long it was from the 2 Q. time that you got to your bus stop over by your place 3 until you got off the bus over by Fiesta? 4 5 Α. No. 6 Q. Okay. Thirty minutes? An hour? 7 hours? Any idea? Probably like a good hour or like a good 8 A. It didn't take me that long. 9 minute. Okay. Okay. So, fair to say maybe about 10 0. 11 11:00 you're getting off the bus? 12 A. Yes. 13 Q. Okay. And then -- and then how long of a 14 walk is it from that Fiesta on Cullen to get to 15 Denise's place? 16 I want to say it's kind of like a longer Because when I get off, I have to walk down --17 walk. I have to walk down the sidewalk almost to where I 18 19 got to Worthing at. 20 Q. Okay. And when you're going towards Denise's house -- you said she kind of lives near 21 22 Worthington, right? 23 A. Yes.

Are you walking down Cullen, or which --

which major street are you walking down?

24

25

Walking down Cullen. 1 A . Okay. And then what street do you turn 2 Q. onto to get to where Denise is? 3 I walk -- walk towards Scott. 4 A. 5 0. Towards Scott. Okay. 6 And then is Wilmington -- does that 7 run into Cullen at all or --8 A. Wilmington is on Scott. It's on Scott Street where Worthing is at. 9 10 Q. Okay. Wilmington runs into Scott Street. 11 Okay. And there -- I think you talked 12 to Mr. Peneguy about there is a couple of different 13 ways that you can get to Denise's place; is that 14 correct? 15 A. Yes. 16 0. Is it Reed street? Is that what --17 A. Yes. 18 Q. Okay. And -- Reed Road? 19 A. Yes. 20 Q. Okay. And when you go, did you go that way? Did you go the way of Reed Road whenever you 21 22 went to Denise's, or did you take the back way? 23 When I get off the bus, I walk down -- walk down Cullen. Then I like turn. Then I be already on 24

Scott. And as I walk or whatever, I don't walk all

```
the way around. Because you can walk all the way
 1
 2
     around, but I didn't walk all the way around.
     walked through the -- through the trail way.
 3
                Is it -- is that the shortcut?
 4
         Q.
 5
         Α.
                Yeah, the shortcut. Because --
 6
         Q.
                Okay. And that's where you cross the
 7
     bridge and then --
 8
         A.
                Huh-uh (negative.) I didn't -- I didn't go
 9
     over the bridge. I went the other way.
10
         Q.
                Okay.
11
         A.
                Like the other shortcut.
12
         Q.
                Okay.
                Because she will be standing outside the
13
         A .
14
     gate waiting on me.
15
                So, there is basically three ways to get
         Q.
16
     into the complex then?
                Uh-huh (affirmative.)
17
         A.
18
         Q.
                I'm sorry. Make sure you answer out "yes"
     or "no" --
19
20
         A.
                Yes.
21
                -- so she can take it down.
         Q.
22
         A .
                Yes.
23
                Thank you very much.
         Q.
24
                     Okay. So -- so, you took that -- that
25
     separate -- the second shortcut to kind of get to
```

```
Denise's place to begin with?
 1
 2
          \boldsymbol{A} .
                Yes.
 3
          0.
                Okay. And she was waiting at the gate for
     you?
 4
 5
                Yes.
          \boldsymbol{A} .
 6
          Q.
                Okay. So, you called her whenever you got
 7
     off the bus to let her know you were on the way?
 8
          A.
                Yes.
                And does she wait there at the gate because
 9
          Q.
     she has to -- there is some kind of code or something
10
11
     to let you in or --
12
          A.
                Huh-uh (negative.) It wasn't -- it wasn't
13
     no code or nothing. You can just walk in and walk
14
     out.
15
                Okay. And I think as we -- as you
          Q.
16
     discussed earlier, there appears to be this --
     showing you State's Exhibit 11 -- a wrought iron
17
     fence around that area now.
18
19
                      That wasn't there at the time; is that
20
     correct?
21
                Yes, sir.
          A.
22
          0.
                Okay. And I think you described maybe kind
23
     of like a broken fence --
24
          A.
                Yes.
25
          Q.
                -- that you can get past?
```

```
1
                Yes, sir.
          A .
 2
                Okay. So, after Denise meets you at the
          Q.
     gate, you guys do what at that point?
 3
 4
          Α.
                Go in the house.
 5
          0.
                Okay. And when you were at the house, I
 6
     think you said you just kind of hung out like
 7
     teenagers do?
 8
         A.
                Yes.
 9
                Talking?
          Q.
10
          A.
                Yes.
11
                At some point did you say you actually went
          Q.
     to sleep for a little bit?
12
13
         A.
                Yes.
14
                Okay. Do you know about how long you might
     have been asleep?
15
16
          A.
                No.
17
                Okay. And then at some point you got a
          Q.
     call from your mom?
18
19
          A.
                Yes.
20
          Q.
                Do you know about what time it was you got
21
     a call from mom?
22
         A.
                No.
23
                Okay. Do you know was it afternoon at that
          Q.
24
     point?
25
          Α.
                Yes.
```

Was it still morning? It was afternoon? 1 Q. 2 Yes. A . Okay. And without going into, you know, 3 0. what your mom said, did she seem upset or what? 4 5 Α. No. 6 Q. Anything going wrong at the time? 7 No. A . 8 Q. Okay. But based on your conversation, you felt the need to leave Denise's and get home? 9 10 A. Yes. 11 Okay. And were you -- were you upset Q. 12 whenever you were leaving or frantic based on your conversation with your mom or anything? 13 14 A. No. 15 Okay. So, when you decided to leave, who Q. 16 was there at the apartment with Denise and you? Me, Denise, her grandma, her brother, her 17 A. sister, and I think her sister baby daddy and --18 19 Okay. And her brother's name? Q. 20 A. Matt. 21 Okay. And her sister, what is her sister's Q. 22 name? 23 Tasha. A. 24 Q. Tasha. Okay. 25 And do you know grandma's name?

```
Grandma?
 1
 2
          \boldsymbol{A} .
                No.
 3
          0.
                Okay.
                Just Grandma.
 4
          A.
 5
          Q.
                No problem. Okay.
 6
                      So, if I understand correctly, there
 7
      is you, Denise, Tasha, Matt, Grandma?
 8
          A.
                Yes.
 9
          Q.
                So, five people are there whenever you
      leave?
10
11
          A .
                Yes.
                Okay. Is everybody awake or?
12
          Q.
                Yeah.
13
          A .
                Okay. And when you decide to leave, Denise
14
          Q.
     being a good friend, she decides to walk out with
15
16
     you?
17
          A.
                Yes.
18
          Q.
                Okay. And she goes to the gate with you to
19
      see you off --
20
          A.
                Yes.
21
                -- is that correct?
          Q.
22
                      Okay. And at that point you decided
23
      to take the other shortcut, not the one that you had
24
      taken originally to get to Denise's?
25
          A.
                Yes.
```

- Showing you State's Exhibit 12. After you 1 Q. go past the broken gate, you go on to this bridge --2 3 A. Yes. 4 Q. -- correct? 5 Okay. And then after the bridge, we 6 see here at the end of the bridge, there is a street. 7 Do you know what street that is? 8 A. No. 9 Q. But that is the street that you actually started walking down. Here, I will show you State's 10 11 Exhibit 15. It's a little closer up. Is this -- is 12 this the street that you walked down after you got 13 off the bridge? 14 A. Yes. 15 Okay. And do you know which -- looks like Q. there is -- if we -- kind of zoom in here a little 16 17 bit. Looks like there is a street that you can turn 18 off where this vehicle is, or you can keep walking 19 straight. 20 Do you remember what you did? 21 I kept straight. A. 22 Q. Okay. And showing you State's Exhibit 18, 23 is this the same road?
  - Q. Okay. And you described that when you --

24

25

A.

Yes.

- when you walk, you just kind of keep your head down 1 as you're walking; and that was sort of your 2 customary thing that did you, right? 3
  - Α. Yes.
  - 0. No matter where you were going?
- 6 A. Yes.

- Kind of keeping to yourself? 0.
- 8 A. Yes.
  - Did something happen? Like did you hear a Q. noise, or did you see something that kind of made you lift your head up?
  - A. I seen this guy.
- Q. Okay. And if you can -- and you can 14 actually -- if you press a little bit hard on the screen, you can leave a mark on it. If you can, if you see the general area where you were and where you saw this guy that kind of made you look up as you 17 were walking down? Do you remember -- if it's shown -- and I'm showing you again State's Exhibit 18. If you can see it here. I will try to 21 back out a little bit more.
- 22 A . No. At that time, no.
- 23 Q. Okay.
- 24 When I was walking, I just still had my A . head down until I got a little closer. 25

Sure. Do you -- do you remember what side 1 Q. of the road that he was on? 2 The right-hand side. 3 A. Okay. So, you're walking this -- this way 4 Q. 5 on the road. Is that fair to say? 6 A. Yes. 7 Okay. And would you agree with me that 0. that would be eastbound on this street? 8 9 A. Yes. Q. 10 Okay. So, the person you saw would be on 11 the right side where my finger is pointed. 12 A. Yes. Okay. So, did that person stay on the 13 Q. right side of the roadway? 14 15 A. Yes. 16 Q. Okay. And when you first saw him, do you know about how far away you were from him? Like let 17 me -- I can attest here. I will stand here. You 18 19 tell me was he further away than I am or closer? 20 A. He was like --Do you need me to back up? Like how far 21 Q. 22 away do you think he was? 23 Like a half. A. Like if I back up to here? 24 Q. 25 Yeah. A.

About -- about this distance? 1 0. Yeah. 2 A . So, I'm about -- well, maybe about 20 feet 3 0. away from you. Would that be fair to say? 4 5 Okay? Would that be fair to say? 6 A. No. He was like a little closer. 7 He was a little closer. Okay. So, about 0. 8 halfway between the court reporter and where the prosecutor is sitting? 9 10 A. Yes. 11 Okay. And when you looked up, what -- what 0. 12 did you see when you saw that guy? What was he 13 doing? 14 A. Looked like he was looking for something. 15 Okay. Did he have anything in his hands? Q. 16 A. Not that I know of. Okay. Did you -- do you think he was like 17 Q. 18 doing anything in particular? Like you said he was 19 looking for something. Did you think -- like was he 20 taking pictures or anything like that? Did he have a 2.1 camera or --22 A . No. No. 23 Okay. Do you remember telling the police 24 at one point that you thought he may have been taking

25

pictures?

No. 1 A . You don't remember doing that? Okay. 2 Q. Now, when you -- when you saw him, did 3 you keep walking towards him? 4 5 Α. I was trying to walk like he walking. 6 Q. And when you say that, I mean, like did you 7 keep walking in the direction you intended to go to begin with? 8 9 A. Yes. Okay. And initially when you saw him, was 10 Q. 11 there anything about him that you noticed? Any -anything particular about him? 12 13 A . No. 14 0. I think you said you saw that he was wearing a hat? 15 16 Α. Yes. 17 And some sunglasses? Q. 18 A. Yes. 19 Did you see anything on the hat, like a Q. 20 team logo or --2.1 Probably the letter C. A. 22 0. The letter C? 23 A. Yes. 24 Q. Okay. Did you see like a picture of, you

know, any kind of animal or anything like a sports?

25

No. 1 A . 2 Okay. Do you remember what color the hat Q. may have been? 3 Α. No. 4 5 0. Okay. What about -- you said you saw the 6 letter C. Do you know what color that might have 7 been? White. 8 A. White. And then I think you described that 9 Q. he was wearing some sunglasses? 10 11 A. Yes. 12 Q. Do you remember what the sunglasses looked like? Like big sunglasses? Little? 13 Like a little big. 14 A. Little big. Okay. 15 Q. So, would it be fair to say kind of 16 covered a lot of his eyes and surrounding where his 17 eyes would be? 18 19 Like medium size. A. 20 Q. Like medium-sized sunglasses? 21 Yes. A. 22 Q. Okay. Did you -- did you ever get a look 23 at his eyes? 24 A. No. 25 Okay. Did you -- did you feel like -- as Q.

you were approaching this person, did you see him do 1 anything? Like move towards you? 2 3 A. Yes. Okay. About how far -- and I will get it 4 Q. 5 I think you said be about right here when you 6 first saw him. When he first started coming towards 7 you, about how close were you then? 8 Tell me when to stop. Right here. 9 A . 10 Okay. So, you were walking -- you were 11 almost to where he was, and then at that point does 12 he just lunge towards you? 13 A . Yes. Real fast? 14 0. 15 A. Yes. 16 Q. Okay. And was it from the front, or did he wait until you walked past him? 17 He -- he waited until I got like a 18 A. 19 little -- like a little close, like a little past him. 20 21 Okay. And then I think you described to Q. 22 Mr. Peneguy that he put his arm around your neck? 23 A. Yes. 24 Okay. So, at that point, are you on the Q.

25

road way still?

1 A . Yes. 2 Okay. And when did -- when did you first Q. see a knife? Did you see a knife at that point or --3 Α. Yes. 4 Okay. When did you first see the knife? 5 0. 6 A. When he wrapped his around -- wrapped his 7 arm around my neck. 8 Q. Okay. So, as you're coming up towards him, you hadn't seen a knife yet? 9 10 A. No. 11 Okay. And I think you said when 0. 12 Mr. Peneguy was asking you that you actually felt the knife on your neck? 13 14 A. Yes. 15 And did it -- did it actually cut your Q. skin? 16 17 Α. No. Okay. I think you said you described that 18 Q. 19 you felt it pushing in on your skin --20 A. Yes. 21 -- is that correct? Q. 22 Okay. Do you know if you ever -- did 23 you ever check to see if you had any kind of mark or 24 anything? 25 Α. No.

Okay. But you weren't bleeding? 1 Q. 2 A . No. All right. All right. And then you said 3 0. that the person that you saw was a black male; is 4 that correct? 5 6 A. Yes. 7 Brown skinned I think is what you described 0. 8 to Mr. Peneguy? 9 A . Yes. 10 Q. Do you know -- was he like darker? 11 Lighter? 12 A. A little light. Kind of light skinned? 13 Q. 14 A . Yes. 15 Okay. Do you remember when you talked to Q. 16 the police describing the person that you thought did 17 this? 18 A . Yes. 19 Okay. And do you remember what you said at 0. that time? 20 21 Can you repeat that? A. 22 Q. Do you remember what you said when you 23 described who did this to you? 24 A. I just described him. 25 Okay. But, I mean, do you remember what Q.

you said to the police when you described him back in 1 2008? 2 Yes. Yes. 3 A. You do. Okay. 4 Q. 5 And do you remember -- was this person 6 taller than you? 7 Yes. A . 8 Q. How -- how tall are you? I'm 5'6. 9 A. 5'6. Okay. 10 Q. 11 Do you remember was the person just a 12 little bit taller than you or a lot taller than you? A little. 13 A . 14 Just a little bit. 0. 15 A. Yes. 16 Q. Okay. And I think you said to Mr. Peneguy that you thought the person was kind of strong? 17 A. 18 Yes. 19 Do you know any idea like what we're 20 talking about as far as his weight? Any idea like 21 how much he weighed? 22 A . No. 23 Do you remember telling the police that you Q. 24 thought the guy may be very dark skinned?

hesitate to, you know, just wave me down. Okay? 1 A. 2 Okay. All right. So, where I think we left off, 3 0. we were talking about where you were still on the 4 5 roadway. You had just passed this man, came up from 6 behind, put his arm around your neck which was 7 choking you where you were having trouble breathing? 8 A. Yes. 9 Q. And put the knife to your neck? 10 A. Yes. 11 Okay. And if I understand your description Q. 12 correctly, he -- he had -- I guess it would be his -his left arm around your neck because he was behind 13 14 you? 15 A. Yes. 16 Q. And then his right hand had the knife to your -- to the right side of your neck? 17 18 A. Yes. 19 Is that -- if I understand correctly, 0. 20 that's -- that's what you seem to be showing us both 21 during your direct examination and my questions? 22 A . Yes. 23 Okay. So, at some point I think you said Q. 24 you thought he might have been left handed? 25 A . No.

You didn't think he was left handed? 1 Q. 2 A . No. Oh, okay. Do you remember telling 3 0. Mr. Peneguy that you thought that the knife was in 4 his left hand? 5 6 A. No. 7 Okay. So, after this man did this to you, 0. 8 do you -- do you have any idea about how long it was between the time that he grabbed you from behind to 9 the time that you were being taken to the woods? 10 11 A. No. 12 Q. Was it -- were you there on the roadway for 13 very much time, or was it just a matter of seconds 14 before? Matter of seconds. 15 A. 16 Q. Okay. And at that time did you see anybody 17 else on the roadway --18 A . No. 19 -- walking around? Q. 20 A. No. 21 And it's June in Houston, right? Q. 22 A . Yes. 23 So, that's usually a pretty hot time of the Q. 24 year? 25 A. Yes.

It was daytime. Is that fair to say? 1 Q. 2 Α. Yes. Was it raining out or --3 0. No. 4 A. 5 Q. Okay. Do you remember what kind of day it 6 was? Was it like cloudy? Sunny? 7 A . Sunny. 8 Q. Okay. And you -- I think you described that there was a house on that roadway as you walked 9 down in the direction you were walking? 10 11 A. Yes. 12 Q. Had you passed the house already? 13 A . Yes. 14 0. Do you know about how far back the house 15 was from where you were? 16 Α. Very far. Okay. And I think you described that there 17 Q. was a building down the roadway, too? 18 19 Yes. A. 20 Q. Had you come up to the building yet? 21 Yes. A. 22 Q. Had you passed the building? 23 A. Yes. 24 Okay. And that building, is it occupied? Q. 25 Do you know is that like a business or --

It was like a business. 1 A . 2 Okay. And was it like a working business? Q. Like people were there? 3 Α. Yes. 4 5 Okay. And do you know is it a one-story? 0. 6 Two-story building? Three-story? Do you know? 7 A. No. 8 Q. Okay. Did it have windows or anything like that? 9 I don't know. 10 A. 11 Okay. Was there a fence covering the Q. 12 building? 13 A . No. 14 0. No? Okay. Did you see anybody inside the 15 building as you walked by? 16 A. No. Okay. And do you know about how far back 17 Q. behind you that building would be from where you were 18 when this man grabbed you? 19 20 A. Can you repeat it again? 21 If you know, just -- you know, about how Q. far -- because you said you had passed the building. 22 23 Do you know about how far back it was? 24 A. No. I wasn't that far from the building. 25 Okay. And if we look here at State's Q.

Exhibit 18, I think you described that he was on the
 1
     right-hand side of the road where my finger is; is

 4
         Α.
                Yes.

                I was -- it was on this side (indicating.)

18
         A.
                Yes.
19
                Okay. And would it be fair to say that if

23

                Yes.
24
                Okay. And when you came up -- or when he

Exhibit 21, I think you described that he had you go 1 underneath this barbed wire --2 3 A. Yes. -- is that correct? 4 Q. 5 Okay. Do you know about how high up 6 the barbed wire was on you? 7 A. No. 8 Q. Okay. And when you were coming into the 9 barbed wire, were you -- were you walking and facing it where you could see it, or were you -- was your 10 11 back to the barbed wire? 12 A. I was walking so I could face it. 13 Q. Okay. 14 A . I was facing it. 15 And so, how -- how was he dragging you to Q. 16 that area? Was -- were you walking? Was -- or was he like carrying you? Do you remember? 17 18 A . No. You don't remember? 19 0. 20 A. No. 21 Okay. At some point, did he let go of you Q. 22 in order for you to go underneath the barbed wire? 23 A . No. 24 Q. Okay. So, he crawled with you?

25

A.

Yes.

Okay. So, at that point were you -- were 1 Q. you on your hands and knees, or were you on your 2 Do you remember? 3 We -- I wasn't on my knees just yet. 4 A. 5 0. Okay. 6 A. So, we walked underneath it together. 7 Okay. So, you walked -- did you like duck 0. down? 8 Yeah, we ducked down. 9 A. 10 Q. Okay. So, the barbed wire would be kind of 11 high then? 12 A. Yes. 13 Q. Okay. And when you walked underneath the 14 barbed wire, do you know if you -- if it hit you at 15 all? Did it cut you at any point? The barbed wire? 16 A . No. 17 Okay. What about the man? Did you see --Q. 18 did he get cut by barbed wire or anything? 19 A. No. 20 Q. Okay. And when you went underneath the barbed wire, where did he take -- did he just stop 21 22 right outside, right when you got past the barbed wire; or did he take you further into that area? 23 24 A. He took me further.

Do you have any idea how far in?

25

Q.

It was all the way in. 1 A . 2 Q. Okay. Like over here (indicating.) Like in the 3 A. 4 middle. 5 0. So, it wasn't near the roadway anymore? 6 A. No. 7 Okay. And when you were there, did he keep Q. his -- his hat and sunglasses on? 8 9 Yes. A. At any point did the hat and sunglasses 10 Q. 11 come off? 12 A. No. Okay. Do you remember speaking about the 13 Q. 14 hat? Do you remember talking to the police about him 15 wearing a hat and sunglasses? 16 Α. Yes. 17 Do you remember describing a dark blue hat? Q. 18 A. Yes. 19 And no logo? 0. 20 A. No. 21 You don't remember that? Q. 22 A . No. 23 Okay. So, you told the police that there Q. 24 was the letter C on there? 25 Α. Yes. And it was a dark blue hat.

1 Okay. So, the police, they should have Q. 2 documented that if you told them about the letter C, right? 3 Α. Yes. 4 5 0. Okay. All right. And when you -- he took 6 you into this field, I think you -- you described 7 that he pushed you down onto the ground? He body slammed me. 8 A. 9 Q. Body slammed you. Okay. He actually 10 picked you up and threw you down? 11 A. Yes. 12 Q. Okay. And at that point were you on your 13 back or on your stomach? 14 Stomach. A. 15 And could you see where his hands were? Q. 16 Α. No. When he body slammed you, could you see or 17 Q. feel if he still had that knife in his hand? 18 19 A. No. 20 Q. Okay. And then I think you described that 21 he was grabbing you by the hips? 22 A . Yes. 23 And picking you up? Q. 24 A. Yes. 25 Do you know -- did he still have that knife Q.

                No.
15
                Okay. And you said you got a good look at
          Q.
      the knife, right?
16
17
          A.
                Yes.
                Did it -- was it just like -- you said it

                Yes.

                Did it have just kind of a straight
22
     sharpness to it, or did it have like little ridges on
23
      it like serration?
24
          A.
                It was straight.
25
                Okay. Did you ever describe a serrated
          Q.

1 knife? Do you know what a serrated knife is? 2  $\boldsymbol{A}$  . No. Like little -- little edges on the 3 0. Okay. actual blade. 4 5 Α. No. Did -- it didn't have that? 6 Q. 7 A . No. 8 Q. Okay. Did you ever describe that to the police? 9 10 A. No. 11 Okay. So, obviously, if they had said you Q. described a serrated knife, that would be a mistake 12 by the police, correct? 13 14 A . Yes. 15 Okay. And the knife, was it the kind of Q. 16 knife where you like push a button and it goes back down or you fold it? 17 No. It was a pocketknife. 18 A . 19 Okay. And so meaning that you fold it? 0. 20 A. Yes. 21 Okay. And I believe you described it at Q. 22 some point that this man actually gave you the knife 23 or put the knife in your hand? 24 A. No. 25 Oh, he didn't? Q.

1 No. A. 2 Okay. Did you ever -- did you ever touch Q. the knife with your hand like when you were reaching 3 4 for it? 5 Α. Yeah. 6 Q. Okay. Did you -- did your fingers hit the 7 blade at all? 8 A. No. 9 Q. Okay. So, your fingers weren't cut? 10 A. No. 11 Okay. And when he body slammed you onto Q. 12 the ground and you were on your stomach -- were you on your stomach the entire time that he did this to 13 14 you? 15 A. Yes. 16 Q. Okay. So, during that time did you ever get a look at his face? 17 18 A . No. 19 You could hear the things that he was 0. 20 saying, though, correct? 21 A . Yes. 22 0. Okay. And how would you describe his 23 voice? 24 A . Deep. 25 Deep. I think you said he seemed angry? Q.

1 A . Yes. 2 Okay. You described at some point that you Q. heard kind of a rattling sound? 3 Α. Yes. 4 5 0. Like a wrapper? 6 A. Yes. 7 Okay. And, actually, as this was being Q. 8 done to you, did you feel like the person may be wearing a condom? 9 10 A. Yes. Okay. And you know what the difference is? 11 0. 12 A. Yes. As far as when somebody is wearing a condom 13 Q. or not? 14 15 A. Yes. 16 Q. Okay. And do you know whether or not this person actually ejaculated? 17 No. 18 A . You don't? 19 0. 20 A. No. 21 Okay. Did you ever tell the police that Q. 22 you thought he might have ejaculated? 23 A . No. Okay. And so, at some point I think you 24 Q. 25 described that something happened, something went by.

Do you have any idea what it was? 1 2  $\boldsymbol{A}$  . No. Was it possibly an animal or a bird or a 3 0. person? 4 5 Α. No. 6 Q. Okay. At that point what exactly did he do 7 as soon as this goes by, whatever it is? Did it make 8 a sound? 9 A. Yes. What kind of sound did it make? 10 Q. 11 Like -- like a vehicle, like a car. A . Like a vehicle? 12 Q. 13 A . Yes. 14 0. Okay. And that vehicle, would it be going through the field? 15 16 Α. No. 17 Or going through -- going on that roadway? Q. 18 A. Going on the roadway. 19 Okay. But you were, I guess, close enough Q. 20 in the field that you would be able to hear that 21 vehicle? 22 A . Yes. 23 Okay. And at that point he stops doing 24 what he had been doing, stops assaulting you? 25 A . Yes.

1 Q. Okay. Does he say anything to you? 2 A. No. No? 3 0. No. 4 A. 5 Q. Did he hit you again? 6 A. No. 7 Okay. At that point I believe you talked Q. 8 about in your questioning with Mr. Peneguy that he 9 says to you, See, look? 10 A. Yes. 11 Q. Okay. And at that point what is he doing? 12 A. Putting the knife up. 13 Q. Okay. Does -- does he actually put it in your hand? 14 15 A. No. 16 Q. Okay. And that could be my misunderstanding. I thought during direct 17 18 examination you said that he actually put the knife 19 in your hand. Is that not correct? 20 A. No. 21 Okay. So, after he folds the knife, what Q. 22 does he do with the knife? 23 Put it in his pocket. A . 24 Q. Okay. And then at that point what does he 25 do?

1 A. Stood up. 2 Q. Okay. And he -- does he walk away? Does 3 he --No. 4 A . 5 Q. -- run away? 6 A. No. 7 Okay. Do you -- did you see where he went? Q. I didn't even make -- I didn't even 8 A. No. make -- I went back the other way. He ran back the 9 10 other way. 11 Like in the field or down the roadway? 0. In the field. It was a trail right back 12 A. 13 that way. 14 0. Okay. So, within the field there is 15 another way to get out? 16 A. Yes. Okay. And, obviously, very upsetting 17 Q. everything that you went through. You said that 18 there was a period of shock that you were in? 19 20 A. Yes. 21 And you don't know how long you were Q. actually in the field before you got up and left? 22 23 A . No. 24 Q. But it is still daylight when you left, 25 right?

1 A . Yes. Okay. If -- now, I think you described 2 Q. that when you left Denise's apartment you had your 3 cell phone with you? 4 5 Α. Yes. 6 Q. And the clothing that Mr. Peneguy showed 7 you that you were wearing, if you can kind of 8 describe that for the ladies and gentlemen of the jury. What is that? 9 I had on some red -- some red shorts with 10 11 pockets. And I had on this -- this like yellow -- it 12 looked like yellow-whitish shirt that say "baby girl" 13 on it. "Baby girl," that was the name of the words, 14 "baby girl." And it was written in red. 15 Okay. And the shorts that you had, did Q. 16 they have -- they had pockets on them? 17 A. Yes. 18 Q. Did they have front and back pockets? 19 Yes. A. 20 Q. Okay. And your cell phone, do you know where you put that as you were walking home? 21 22 A . My cell phone was in my right pocket. 23 Your right pocket? Q.

Okay. In the front or back?

24

A.

Q.

Yes.

1 A . Front. Okay. And did you keep it there the whole 2 Q. time? 3 Yes. 4 A. 5 When you were taken to the field, did your 0. 6 cell phone fall out? 7 A. No. 8 Q. Okay. So, even like when he pulled your 9 pants down, the cell phone stayed in your --10 A. Yes. 11 Okay. Did he take your cell phone? 0. 12 A. No. Okay. So, when you were able to collect 13 Q. 14 yourself and finally leave the field, you still had 15 your cell phone with you? 16 A. Yes. And at that point, as you were going back 17 Q. to Denise's place, did you -- did you call Denise or 18 19 call anyone else? 20 A. I -- when I ran back, I just knocked on the 21 door. 22 0. So, you hadn't called her ahead of time? 23 A . Nope. 24 Okay. And if she had said that you had Q. 25 called her beforehand and she was looking for you in

the courtyard, that would be just be a mistake by 1 Denise? 2 3 A. Yes. Okay. When you came to the door, Denise 4 Q. 5 was there at her apartment? 6 A. Yes. 7 Were Tasha and Matt and Grandma there? 0. 8 Α. Yes. Yes. 9 Okay. So, they all saw the condition that Q. 10 you were in? 11 A. Yes. 12 Q. And how upset you were? 13 A . Yes. 14 0. And do you know if anybody called for help, 15 like the paramedics or police? 16 Α. Yes. Who called? 17 Q. 18 A. Matt. 19 Okay. And did you talk to anybody on the Q. paramedics or 911 on the phone, or was it just Matt? 20 21 Just Matt and Denise. A. 22 0. Okay. Now, the clothes that you were 23 wearing, the white shirt with "baby girl" on it, the 24 red shorts -- there at your house do you have like a

washing machine and dryer or did you back in 2008 or

did you guys go to the laundromat? How did you do 1 your laundry? 2 We went to the washateria. 3 Washateria. Okay. Do you remember the 4 Q. 5 last time you washed those clothes prior to you wearing them on June 11th? 6 7 A. No. 8 Q. Okay. Now, once Matt called for help for 9 you, do you remember about how long it was -- was it a short time or long time until the police and the 10 11 paramedics arrived? 12 A. A -- probably a short time. 13 Q. Okay. Do you know who got there first, the 14 paramedics or the police? 15 I can't remember. A. 16 Q. Are you seen by the paramedics? 17 A. Yes. Before you left with the police officer? 18 Q. 19 No, I was seen. A. 20 Q. Okay. So, they said it was okay for you to leave with the police officer to go back to the 21 22 scene? 23 A. Yes.

And when you went back there with the

officer, did you -- did you go back past the barbed

15	THE COURT: Thank you.
16	SUSAN SPJUT,
17	having been first duly sworn, testified as follows:
18	DIRECT EXAMINATION
19	Q. (BY MS. PRIMM) Can you please introduce
20	yourself to the ladies and gentlemen of the jury?
21	A. Hi. My name is Susan Spjut.
22	$oldsymbol{\mathcal{Q}}_{oldsymbol{\cdot}}$ And, ma'am, what profession are you in?
23	A. I'm a registered nurse.
24	Q. How long have you been a registered nurse?
25	A. Thirty-nine years now.

- Q. Can you tell the ladies and gentlemen of the jury your training and experience -- your training and education that lead you to becoming a registered nurse?
- A. I graduated from the University of St.

  Thomas in 1976 with a Bachelor of Science degree in nursing. And then I held various nurses jobs since then. And in 2002 I joined the Memorial Hermann forensic nursing team.
- Q. Okay. You said 2002 you joined the forensic nursing team?
  - A. Yes, ma'am.

2.1

- Q. Do you have to have any additional training to be a part of the forensic nursing team?
- A. Yes. It was two classes, one week of 80 hours. 40 hours of adult training for -- to be certified as an adult SANE nurse and then another 45 hours to be certified as a pediatric SANE nurse. And then you take about six months of precepting, which is you follow a practicing SANE nurse and learn and show her that you know what you are doing. And then you apply to the State, the Office of the Attorney General, and get certified as a SANE nurse, sexual assault nurse examiner.
  - Q. What is a sexual assault nurse examiner?

A sexual assault nurse examiner is a nurse 1 A . who's been specially trained, like we just went 2 through additional class, about 10 speakers speaking 3 on violence, sexual -- sexual assault, domestic 4 5 violence, child abuse, and conduct a medical forensic 6 exam looking for injury, collecting evidence, and 7 collect -- yeah, that's it. 8 Q. All right. Now, prior to 2002, you had been a nurse for quite some time? 9 10 A. Yes. 11 Prior to there being actual SANE nurses or 0. 12 certified nurses to do sexual assaults, in your nursing career, prior to being certified, had you 13 14 participated or helped in a sexual assault exam? A few times. 15 A. 16 Q. Okay. Now, once you're certified, you join 17 the Memorial Hermann team is what you said? 18 A. Yes. 19 Okay. And how long did you work there at 0. Memorial Hermann? 20 2.1 A. Twelve years. 22 0. What shift did you work? 23 All shifts. A. 24 Okay. I'm going to draw your attention to Q.

2008. Were you working at Memorial Hermann at that

time? 1 2 A. Yes. Okay. Specifically, I want to draw your 3 0. attention to June 11, 2008. Were you working on that 4 particular date? 5 6 A. Yes. 7 Now, while you're working as a sexual 0. assault nurse examiner, do you also have other 8 patients other than sexual assault victims? 9 10 A. No. 11 MS. PRIMM: May I approach the 12 witness? 13 THE COURT: You may. 14 0. (BY MS. PRIMM) Ma'am, I'm going to show you 15 what's been previously marked as State's Exhibit 35 16 and ask if you can please take a look at that and see if you recognize those documents? 17 (Witness complies.) Yes, I do. 18 A . And are these copies of the originals? 19 0. Yes. 20 Α. 21 And are these maintained by the hospital? Q. 22 A . Yes. 23 And are they maintained in the regular Q. 24 course of business? 25 They are -- the forensic documents are kept A.

within the forensic nursing department. 1 Okay. And are the entries in the records 2 Q. made at or near the time of the events? 3 Oh, yes. 4 A. 5 Are they made by somebody who has personal 0. 6 knowledge of the event? 7 A. Yes. MS. PRIMM: Your Honor, at this time I 8 will offer State's Exhibit 35, the records that have 9 been on file with the Court; and notice has been 10 11 given to Defense counsel. 12 MR. VINAS: No objection, Your Honor. 13 THE COURT: Admitted. I'm sorry, give 14 me the number again. 15 MS. PRIMM: 35, Your Honor. 16 THE COURT: Thank you. 17 (BY MS. PRIMM) And Ms. Spjut, I'm going to 18 leave these up here next to you. 19 Ms. Spjut, did you come in contact 20 with a patient by the name of Jocelyn Batiz on June 21 11, 2008? Yes, I did. 22 A . 23 When a victim of sexual assault comes into 24 the emergency room at Memorial Hermann, can you tell 25 us what the first thing that happens with them is?

- A. When they present to the emergency room, they are triaged. They are supposed to be medically cleared. The triage nurse called the forensic nurse on call, which was me at that time; and I would come to the hospital and see the patient.

  Q. All right. And you said at first they are triaged by a nurse. Can you tell us what you mean by that?
  - A. Any patient that presents to an emergency room first has to speak with a triage nurse who he or she determines your level of acuity and whether you need to be seen now or whether you can wait.
    - Q. Okay.

- A. So, that's the triage system.
- Q. All right. And you said you were the on call nurse. So, you were called?
  - A. Yes.
- Q. Were you directly in the hospital, or did you have to come from somewhere else?
- A. I don't remember. At that time we covered nine hospitals.
  - Q. Okay. Did you just cover the Memorial Hermann downtown or more than that one hospital?
- 24 A. At that time the Memorial Hermann team had 25 two nurses on call. One would cover the Medical

- Center, Southwest, and Woodlands. And the other nurse covered the other six hospitals in the mobile unit. And I don't remember which one I was at that time.
  - Q. Okay. So, you could have been called to a variety of different hospitals?
    - A. Yes.

- Q. Okay. When you first come in contact with a sexual assault victim, what do you -- do you tell them anything?
- A. I always introduce myself, and I explain things to them -- the exam to them, you know, who I am, what I'm doing, why we're doing it. And I did explain the exam to them. And I get their consent for the exam.
- Q. All right. And did you do that with Ms. Batiz?
- **A.** Yes.
  - Q. When you're about to start a sexual assault exam, do you allow the victim of sexual assault to have anybody else in the room with them?
  - A. The first thing I do when I perform a pediatric forensic exam is take a patient history; and when I take a patient history, I always try very hard to just have just myself --

MR. VINAS: Judge, I object, 1 nonresponsive to the question: Do you allow someone 2 to be in the room? 3 THE COURT: Sustained. 4 5 (BY MS. PRIMM) Okay. 0. 6 A. No. 7 No? Okay. Q. 8 Throughout the whole thing -throughout the whole time you won't allow somebody 9 else to be in the room or just different parts of the 10 11 exam? 12 A. Well, that's what I was trying to explain. 13 Depends on the patient. 14 0. Okay. What do you mean by that? 15 If a patient is very upset and they need 16 someone in the room during the exam, because it's a very personal exam, I allow that. During the 17 18 history, it's just me and the patient. 19 Okay. All right. Okay. So, after you Q. 20 have explained who you were and what you're doing, you get a history for the patient. Why do you want 21 22 to get a history from the patient? 23 The history helps a nurse make -- every 24 patient that comes into the emergency room gets --25 takes -- gives a history, which is why they are

- there. And that gives the nurse an opportunity to make a nursing diagnosis, assessment, and form a care of, a plan of treatment.
- Q. Okay. And with Ms. Batiz -- when you're doing a history, you said you want to know what brought them there to the hospital, correct?
  - A. Correct.
- Q. And with Ms. Batiz, did you ask her that question?
- 10 **A.** Yes.

    - Q. What did she tell you brought her to the hospital that day?
- 16 A. Can I just read it?
- 17 *Q*. Sure.
- A. Okay. What I wrote is: "Patient states:

  'I just got raped. He came towards me. He pulled

  me -- pulled out his knife. He grabbed me, his arm

  around my neck. He had his knife to my throat. He

  drug me in the woods. He messed up my hair and he

- Q. And when -- after they relate to you what happened, what is the next thing that you do?
- A. We have some clarifying questions, like, prior to the exam, has the patient washed, bathed, changed clothes, eaten?
  - Q. Why do you want to know those things?
- A. Because it could help me determine whether there is going to be any DNA to be able to collect in that area.
  - Q. Okay. And when you asked Ms. Batiz those questions, if she had showered or changed, was she able to answer you?
  - A. She answered "no" to everything.
- Q. Okay. And as a nurse examiner, is that significant to you?
- A. Well, it just lets me know that if there is any DNA there, I have a better chance of collecting it.
- Q. Okay. Are there any other questions that
  you ask, any other details that you want to know from
  them?

- A. Well, we ask them if a contraceptive was used, foam or condom, any Vaseline, any lubricants. We ask if she had a tampon in, if she was on her period. Did she injure the assailant -- because if she scratched him, there could be DNA under her fingernails -- and if there was any penetration.
- Q. All right. And when you asked her if a condom was used by the assailant, what did she say?
  - A. She said she didn't know.
- Q. In your years as a nurse, is that unusual for someone not to know?
  - $\mathbf{A}$ . No.

2.1

- Q. Why not?
- A. Because in my experience, when a woman is being, or a man is being assaulted like that, you're not paying attention to the details. You're just -- you're -- there are a lot of people that are very afraid that they are going to die. So they are just trying to get out of the situation, trying to survive.
- Q. Okay. Did you ask if there was penetration?
- **A.** Yes.
- 24 Q. And did she -- was she able to respond to that?

- She said yes to penetration to her female 1 A . sexual organ. 2 Okay. Now, you also asked her if 3 0. ejaculation had occurred, didn't you? 4 5 Α. Yes. 6 Q. Was she able to give you a definitive 7 answer on that? She said she didn't know. 8 A. 9 Again, you have been a nurse for a very Q. long time. Is that unusual? 10 11 A. No. 12 Q. Why not? 13 A . Again, because emotional trauma at the 14 time, you are just -- people, when they are being 15 emotionally traumatized, aren't paying attention to 16 the details. Okay. After you asked her the details, was 17 18 she able -- after you get the details, what is the 19 next thing that you do? We ask when her last period was; ask, you 20 Α. know, how her -- she is -- need of birth control plan 21 22 B, just put general appearance down, that she is calm

and cooperative, tearful at times --

And? 1 Q. And then we do a head to toe. 2 A . Let me back you up for a minute. 3 Q. You said the general appearance, you 4 document their emotional behavior at the time? 5 6 A. Yes. 7 Okay. And I believe you said she was calm, 0. cooperative, but tearful at times? 8 9 A . Yes. Was there anything unusual, in your 10 11 experience, about her emotional demeanor when she was with you? 12 13 A. No. 14 Do you expect your sexual assault victims 15 to be hysterical and crying the whole time they are 16 with you? 17 A. No. 18 MR. VINAS: Objection to relevance as 19 to what any other sexual assault victims would be 20 going through. 21 THE COURT: Overruled. 22 Q. (BY MS. PRIMM) I'm sorry. What did you 23 say? 24 A. No. By the time that I see them, they 25 are -- they have already -- most of them have already

spoken to the police. They are in the safe 1 environment, which is the hospital. They were with 2 me, and I have -- if they are upset, I spend time 3 talking to them until they are ready to do the exam. 4 5 I don't try to hurry them through there. So, most of 6 them, by the time I see them, are pretty -- they are 7 They are in a safe place. So, they are not --8 Q. They are not still hysterical? No, not -- some women aren't. Some women 9 A. are. Everybody's different. 10 11 Okay. And then do you document their Q. 12 physical injuries that you can see on their body? 13 A . Yes. 14 0. You note there an overall body diagram that is there. 15 16 Α. Yes. Okay. And on that body -- what is the 17 Q. 18 purpose of that body diagram in your records? 19 It's to document the injuries that we find. A. 20 Q. Okay. And did you, in fact, see injuries 21 on Ms. Batiz? 22 A . Yes. 23 And did you document them on that diagram? Q. 24 A. Yes.

- marked for identification purposes as State's 1 Exhibit 36. Is this an exact duplicate of what's in 2 your records except there is no -- your writing is 3 not on it and it's much larger? 4 Yes. Yes. 5 Α. 6 Q. Do you think that would help the jury see 7 the injuries that were documented on Ms. Batiz? 8 Α. Yes. 9 All right. In the records themselves, are Q. there notes next to each line? 10 11 Α. Yes. 12 Q. I'm sorry. MS. PRIMM: At this time, Your Honor, 13 I'm going to offer State's Exhibit 36 for 14 15 demonstrative purposes. 16 MR. VINAS: No objection, Judge. Admitted for demonstrative 17 THE COURT: purposes means that it may be used in the courtroom 18 19 and may be used in final argument, but the jury does

at the bottom; is that correct? 1 That's correct. Α. 2 All right. Now, this diagram, this shows 3 0. the front side of a female anatomy; is that correct? 4 5 Α. Yes. 6 Q. All right. Now, what I want to do, 7 Ms. Spjut, is I want to go -- and I will try and make 8 it so both you and the jury can see what I'm doing. 9 This top line right there, do you see that line on the medical records in front of you? 10 11 Α. Yes. 12 Q. Okay. There is a line, and there is also a mark on the chest -- middle chest of the body? 13 14 A. Yes. 15 What type of injury were you trying to Q. document there? 16 Acute linear scratch. 17 Α. 18 Q. So, acute linear scratch; is that correct? 19 That's correct. A. All right. And what is an acute linear 20 Q. 21 scratch? 22 A . It's just a long scratch that was recent. 23 Q. Okay. And any other documentation about 24 that in particular?

I had measured it at 0.4 centimeters.

25

A .

Okay. Is that accurate? 1 Q. 2 Α. Yes. Then there is a line below it? 3 0. Okay. Uh-huh (affirmative.) 4 A. 5 Further down on the chest. What are you 0. 6 trying to document -- what injury are you trying to 7 document there? Another scratch, acute red scratch. 8 A. Did you measure that scratch? 9 Q. 1.4 centimeters. 10 Α. There is also another line beneath 11 Okay. 0. 12 that, a smaller mark on the chest. What are you trying to document there? 13 Acute red scratch. 14 A. 15 Did you measure that one? Q. 16 Α. 0.6 centimeters. Okay. And then if you stay on that side of 17 Q. the body and go down towards the upper thigh, there 18 19 is also a line coming from the thigh. 20 What injury are you trying to document 2.1 there? 22 A . Acute red abrasion. 23 Is there a difference between an abrasion Q. 24 and a scratch? 25 The scratches were more linear. Abrasions A.

- measured 2 by 0.3 centimeters, so because it was
  wider, I probably put it as an abrasion.

  Q. Okay. Now, if we move down towards the
  foot of that same side of her body, there at the
  - foot of that same side of her body, there at the top line near the ankle, what injury are you trying to document there?
    - A. Linear scratch.

- Q. And was that scratch measured?
- A. Three centimeters.
- Q. Okay. There is one more mark at the end of -- well, right on the top of the foot?
- A. Uh-huh (affirmative.)
- Q. What are you trying to document there?
- 14 A. Another linear scratch, 2 centimeters.
  - Q. Okay. Now, if we move over to the other side of the body, if we go back towards the top, towards the chest, the top line, what type of injury did you find there on Ms. Batiz?
    - A. Acute linear scratch, 2.5 centimeters.
  - Q. Okay. Just below it on the chest, I see another indication of an injury. What is that?
    - A. It's a 4-centimeter acute linear scratch.
    - Q. Okay. And moving down that same side of the body towards the waist, looks like there is another injury at that point?

I documented acute red abrasion, 1 A . 2 1.5 centimeters. Sorry. 1 point --3 0. Α. 5. 4 5 0. Here on the forearm, top line, what type of 6 injury do we see there? 7 That one I have 3.5-centimeter scratch. A. Acute linear scratch. 8 9 Q. Okay. Then we go to the next one below that. 10 11 Α. I have all three of those as red scratches. 12 Q. Okay. Were they measured? 13 A . Yes. The first one was 1 centimeter, the next one is 0.8 centimeters, and the third one was 14 1.2 centimeters. 15 And then if we move to the interior of the 16 0. 17 wrist? Red scratch. 18 A . 19 0. Okay. Was that measured? 20 A. 1 centimeter. 21 On, I think, the outside of the hand, there Q. 22 is another line indicating another injury? 23 Acute red abrasion. A. 24 Q. And was that measured? 25 0.4 centimeters. A.

Oops. I'm sorry. Let me go down. 1 Q. I'm sorry. On the interior of the finger, there is 2 another indication of an injury. What do we see 3 4 there? Acute scratch. 5 Α. And was that measured? 6 Q. 7 0.3 centimeters. A . 8 Q. Okay. Now, if we go down her leg, some marks near her knee? 9 I documented all three of those as linear 10 Α. 11 scratches. 12 Q. Okay. Were they measured? Yes. The first one is 5 centimeters. 13 A. 14 0. Okay. Second was 0.3 centimeters. 15 A. 16 Q. Okay. 17 And 0.5 centimeters. A. All right. We move further down her leg. 18 Q. Are there any further injuries on her leg? 19 20 A. I have documented on her legs that 30-plus 21 stickers removed from left arm leg, right leg, and from bottoms of both feet. 22 23 Q. Let's see. Thirty stickers? 24 A. Thirty plus.

And where are they removed from?

25

Q.

From her left arm, left leg, right leg, and 1 A . from the bottoms of both feet. That go up to there 2 (indicating.) 3 Up here (indicating)? 4 Q. 5 Α. Yeah. 6 Q. Okay. That is the area that you removed 7 the stickers from on her legs? 8 A. Yeah. All right. And you said both -- both legs 9 Q. and left arm and bottom of both feet; is that 10 11 correct? 12 A. Yes. 13 Q. And did you document all the injuries that you documented in the medical records? 14 15 The very last one, which was on the right A. 16 ankle, the very last. 17 Okay. This one right here (indicating)? Q. Yes. That was an area of small scratches, 18 A. 19 and that area measured 2 point by 1 centimeters. 20 Q. Two by what? 2.1 A. One. 22 0. Centimeters? 23 A. Yes. Okay. Do I have them all down there now? 24 Q.

25

A.

Yes.

The markings that you saw on the -- on 1 Q. Ms. Batiz' body, the injuries that you saw, did they 2 3 seem consistent with the history that she had given you? 4 5 Α. Yes. 6 Q. Okay. Did you find injuries on the back 7 half of her body for the most part? 8 Α. No. 9 Okay. Now, after you have documented all Q. 10 of the physical markings and injuries on the 11 complainant's body, what is the next thing you do with them? 12 As I do the head-to-toe assessment, I also 13 A. collect evidence as I go down. I swab out her mouth, 14 15 under her fingernails. And once I have done that 16 head to toe, then I do a detailed genital exam, the same thing, looking for injury and collecting 17 evidence. 18 19 Genital exam of a person that's just been 0. 20 sexually assaulted, is that -- can you characterize 21 how that is for the complainant or the victim? 22 MR. VINAS: Objection to relevance at 23 this point, Judge. 24 THE COURT: Overruled.

It's difficult.

25

A.

(BY MS. PRIMM) Okay. Was Ms. Batiz able to 1 Q. tolerate the exam? 2 Yes, she did. 3 A. Now, when you examined her genitalia, did 4 Q. 5 you -- did it indicate that she had any injuries? 6 A. No. 7 Okay. Is that common or uncommon? 0. 8 A. It's common not to find injuries. Why is that? 9 Q. 10 A. Because the area is -- especially in a 11 woman who still has estrogen, the area is very 12 elastic, very moist. 13 Q. And so, with a woman that still has 14 estrogen in her body, is it uncommon to find actual 15 trauma to the genital area if they have been sexually 16 assaulted? 17 Yes, it's uncommon. A. 18 Q. Okay. The -- is there a kit that you are 19 supposed to use when you collect evidence? 20 A. Yes. And did you do so in Ms. Batiz' case? 21 Q. 22 A . Yes. 23 Ms. Spjut, I'm going to show you what's Q. 24 been marked for identification purposes. It's the

envelope that's actually marked, but the contents of

- 1 | that -- can you see the contents?
  - A. Yes, ma'am.

- Q. And what is that?
  - A. It's the sexual assault evidence collection kit that I used for Ms. Batiz.
  - Q. Okay. And after you collect all the specimens or samples that are required, what do you do with the kit?
  - A. Once I have collected the evidence, I seal them in little -- each swab in little boxes, seal those and put them into an envelope that is marked from wherever the sample was taken, like from the mouth. And that is sealed and labeled and then everything is put in a box and that is sealed with a copy of the records.
  - Q. What -- what is the purpose of sealing and labeling everything that you collect in the exam?
  - A. It's to maintain the chain of -- make sure that none of the evidence is contaminated from when I collected it to when it gets to the lab.
- Q. And do you write all the information on the front of the kit?
- A. Yes.

1 So, it is known whose it is? Q. 2 A . Yes. And you seal it when you're done with this, 3 0. 4 correct? 5 Α. Correct. 6 Q. And it's picked up by law enforcement? 7 Correct. A . And the next time you see it, if you see it 8 Q. again, is in court; is that correct? 9 10 That's correct. A. 11 Q. I got gloves in here if you would like some 12 gloves. Α. 13 Sure. Probably very large and ill fitting. 14 All Basically what I want to do is -- the 15 16 contents of State's Exhibit 41, I want to go through 17 them. 18 A . Okay. 19 Okay. We see here they all have step Q. numbers on them; is that correct? 20 2.1 A . That's correct. 22 Is that the order in which you were supposed to conduct the sexual assault, or does it 23 24 matter? 25 A . It doesn't matter.

Okay. And on each envelope, you have the 1 Q. patient's name; is that correct? 2 Correct. 3  $\boldsymbol{A}$  . Q. The date that it was collected? 4 5 Α. Yes. 6 Q. And your -- the time it is collected and 7 your actual initials; is that correct? 8 A. Yes. 9 Q. And then the envelope is actually sealed, correct? 10 11 A. Yes. All right. And there are also initials 12 Q. over there. Whose initials are those? 13 14 A. Mine. 15 All right. We'll just go how they come Q. 16 out. Step 9 envelope is what? 17 Vaginal swabs. A. All right. Step 8, the envelope? 18 Q. Anal swabs. 19 A. 20 Q. Step 12? 21 Fingernail scrapings. A. 22 Q. And what do you do to get the fingernail 23 scrapings? 24 Just go under each fingernail and scrape it 25 into a white piece of paper which I fold up and --

1 Q. Okay. 2 Α. -- seal. And step 7, what do we have here in step 7? 3 0. These are labeled stickers and thorns 4 A. 5 removed from patient. 6 Q. Okay. Are those the 30-plus stickers that 7 you retrieved from Jocelyn's body? 8 Α. Yes. 9 Q. All right. Step 14? Known saliva sample that's for the 10 A. 11 patient's DNA. 12 Q. Okay. And does that say 1600 is the time? 13 A . It says 1650. Sorry. 14 That's okay. And step 5? 0. 15 A. Head hair combings and the comb. 16 Q. How do you do that? 17 While the patient is sitting up, I go A. behind her or him and comb the hair into a piece of 18 paper so any debris will fall into the paper. 19 20 Collect it and seal it in the envelope. 2.1 Q. Okay. And item -- step 10? 22 A . The pubic hair combs. 23 Q. Okay. 24  $\boldsymbol{A}$  . Combing and combs. 25 Q. And is that process the same way with pubic

hair? 1 2  $\boldsymbol{A}$  . Yes. I comb into a piece of paper and seal it. 3 All right. Step 4 what do we have in step 4 Q. 4? 5 6 A. Patient's panties. 7 Okay. And you collect those for evidence, 0. as well, correct? 8 9 A . Yes. 10 Q. And we have step 11. What is step 11? 11 A. Labia minora. 12 Q. Okay. And what is that? It's the thinner inside the -- you have the 13 A . 14 labor majora, which is a thicker outer lip and inside 15 the labia minora, a lot of creases and moisture in 16 So, I always swab those, and the hymen just 17 in case any secretions come out. 18 Q. Looking for any potential evidence, 19 correct? 20 A. Correct. 21 And these two flat items? Q. 22 A . These are -- we used to do swabs, slides. 23 But the crime lab said we made them too thick. 24 we stopped doing them.

All right. And on each of these you see

Q.

some times. This times says 1810. Can you tell he 1 me what time that is in? 2 3 A. 6:10 p.m. All right. And I think the earliest one is 4 Q. at 1645? 5 6 A. 1645, yes. 7 0. Okay. 8 Α. 4:45. 9 So, for over an hour, you were doing a Q. physical exam of Ms. Batiz? 10 11 MR. VINAS: Objection, leading. Sustained. 12 THE COURT: 13 Q. (BY MS. PRIMM) Can you tell from your records what time the actual process was started? 14 I started the exam at 4:00. 15 A. 16 Q. Okay. 17 4:00 p.m. A. And based on the collection -- the items 18 Q. 19 collected, approximately when did you end the exam? 20 A. The end of the exam with my patient would 21 be after I collected the last specimen and let her 22 get dressed and take her back to her room. 23 Okay. And some of -- I believe the last 24 time on the collection was at 1810 -- or let's see.

There is 18:13. Okay. So, would that be 6:13?

A. Yes, ma'am.

- Q. And after that is done, are there still additional steps that have to happen with the patient?
  - A. Depending on which hospital I'm in, we either take her back to her original room if we -- we have an exam room, like in the Medical Center, or she is -- I go and speak to the doctor to get -- talk to her about STD's, prophylactics and pregnancy prophylactics, HIV prophylactics if she wants those.

I go speak to the doctor and tell him my findings of the exam and get those medications ordered. Usually, a urine to the lab for pregnancy test. And then I come back and finish up my paperwork and document.

- Q. Okay. So, is it a pretty lengthy time they are there with you doing this?
- A. That's at least another hour. Sometimes they are still there when I leave.
- Q. Okay. Now, you mentioned you allow them to get dressed. Do they get to put their own clothes back on?
- A. No. If they brought clean clothes with them, they put those on; but I have double gowned patients and send them home in double gowns.

And you say you don't let them take their 1 Q. 2 clothes home. What do you do with their clothes? I collect those for possible evidence. 3 A. All right. And let me show you what's been 4 Q. 5 previously marked as State's Exhibit 38. Do you 6 recognize State's Exhibit 38? 7 It's red shorts and has my name on it. A . 8 Q. Okay. Would that have been her shorts that you collected on that particular day? 9 10 A. Yes. And State's Exhibit No. 37, do you 11 0. 12 recognize the packaging in State's Exhibit 37? 13 A . That is a white shirt with my name on it. 14 0. Okay. And is that your writing on there? 15 Yes. A. 16 Q. Would that have been the shirt that you collected from --17 18 A. Yes. -- Ms. Batiz? 19 0. 20 And State's Exhibit 40. State's Exhibit 40, do you recognize the handwriting? 21 22 A . My signature. And I wrote "beige bra." 23 Okay. And would these have been the items Q. 24 that you took from Ms. Batiz on that particular day?

25

Α.

Yes.

MS. PRIMM: Your Honor, at this time
 1
     I'm going to offer State's Exhibits 40, State's
 2
     Exhibit 38, and State's Exhibit 37.
 3
                     MR. VINAS:
                                 I would object to State's
 4
 5
     Exhibit -- well, actually, may I take the witness on
 6
     a very brief voir dire regarding the exhibits?
 7
                     THE COURT: All right.
 8
                      VOIR DIRE EXAMINATION
 9
                (BY MR. VINAS) Okay. Ms. Spjut, I will
         Q.
10
     show them to you in order. Pardon my intrusion here.
11
     This witness box is really wide, wider than the
12
     stand.
13
                     Okay. So, we have got 37 -- State's
     37, State's 38, and State's 39. The black
14
15
     handwriting on here, who is that?
16
         Α.
               Mine.
17
         Q.
               And is that the same on State's Exhibit's
     37, 38, and 39?
18
19
         A.
               Excuse me. It's 37, 38, and 40, top part,
20
     yes.
21
               Just in the part up here like on State's 37
         Q.
22
     appears to have a time, 1645?
23
         A.
               Yes.
24
         Q.
               Your signature?
25
         A .
               Yes.
```

And then it says "white shirt"? 1 Q. 2 Α. Yes. And then on State's 38, got a time of 1645, 3 0. your signature, and "red shorts"? 4 5 Α. Yes. 6 Q. And then State's Exhibit 40, got a time of 7 1645, your signature, and "beige bra"; is that 8 correct? 9 A. Correct. All right. Now, the other black 10 11 handwriting that appears on State's 37, 38, and 40, is that your handwriting? 12 13 A . No. 14 0. Do you know whose that is? 15 Yes. A. 16 Q. Okay. Was that from the hospital, or was 17 that from another agency? That was from Sandra Sanchez. She -- I say 18 Α. she -- she was another forensic nurse who was there 19 at the time when the police came to collect the 20 2.1 evidence. 22 0. Okay. 23 She released it to them. A. Q. 24 Did you see that happen, or you just know

that because it's written on the items?

1 A . Yes. Okay. And then the green handwriting that 2 Q. appears on State's 37, 38, and 40, is that your 3 handwriting? 4 5 Α. No. 6 Q. Do you know whose handwriting that is? 7 No. A . 8 Q. Is it fair to say that State's 37, 38, and 40 changed hands from the time you collected them 9 until the time they came to court today? 10 11 A. Yes. 12 Q. Okay. And you don't know what has been done to State's 37, 38, and 40, between June 11, 13 2008, and today? 14 15 A. No. And you can't testify that they are in the 16 Q. same or substantially the same condition as they were 17 the last time you saw them; is that correct? 18 19 A. That's correct. 20 MR. VINAS: Judge, I object to the 21 chain of custody not been proven at this point. 22 Obviously, the State can probably shore that up 23 later; but at this point I believe they are 24 inadmissible.

THE COURT: Thank you. Do you still

 2
                     MS. PRIMM:
                     MR. VINAS:
                                 We still object.
 3
                     THE COURT:
                                 Excuse me?
 4
 5
                     MR. VINAS: And we still object.
 6
                     THE COURT:
                                 Thank you. 37, 38, and 40
 7
     are admitted. For the record, objection overruled.
 8
                     MR. VINAS:
                                 Thank you, Your Honor.

Emergency room nursing down at John Sealy 9 A. in Galveston, cardiac recovery at the Methodist 10 11 Hospital and St. Luke's Hospital. Operating room 12 nurse, ICU nurse, home health nurse, and back to ER nurse. 13 14 0. Pretty well rounded practice, I guess? 15 A. Yes. 16 Q. I meant to say this right off the bat. And I know this is the pot calling the kettle black. 17 You talk really fast. 18 19 I'm sorry. A. 20 Q. So do I. So, the two of us together, 21 Mrs. Lee is going to go crazy. So, can we both 22 commit that we will do our best to slow it down a 23 bit? 24 A. Yes.

Okay. Okay. So, you started as a SANE

nurse in 2002 at Hermann? 1 A . Correct. 2 Okay. Did you do any SANE work -- sounds 3 0. so weird -- but did you do any SANE work before 2002? 4 5 Couple of times down at John Sealy and one 6 time prior to my forensic nursing career at 7 Southwest, Memorial Southwest. 8 Q. Was that before they had the SANE nurse certification? 9 That was before I was certified, yes. 10 A. 11 Okay. But the program still existed? Q. 12 A. It was -- they were just beginning it. Okay. And how many hospitals did you say 13 Q. you were on call for at the time on June 11, 2008? 14 15 If you were in the mobile unit, which had 16 the equipment, I believe Memorial Hermann had nine hospitals. So, six. 17 18 Q. Okay. 19 And then the SANE nurse would go to the A. Medical Center, Southwest, and The Woodlands. 20 21 Q. So, you had which? Did you have the three 22 or the six? 23 A. I don't remember which hospital I saw her 24 at. I'm sorry.

Would it be depicted in State's Exhibit 35,

- A. It's not on there. I looked.
- Q. Okay. Does it make any difference on how your exam is conducted, how you conduct your exam based on which hospital you see the patient in?
  - A. No.
- Q. Okay. So, if we don't know what hospital occurred at, do you specifically remember the exam; or are you going off of your recollection as reported in your report?
  - A. I'm going off my report.
- Q. So, State's Exhibits 37, 38, and 40, do you specifically remember the shirt, the bra, the shorts; or is it you recognize your handwriting and remember?
  - A. It would be my handwriting. And I also usually put a label on the clothing.
  - Q. So, I know it's been some time but we're going off of your records, both the label that's on those bags and in your report; is that correct?
    - A. That's correct.
- Q. Okay. And you said you started the exam around 4:00 p.m. I believe -- I believe the front of your report actually says you started at 4:00 p.m. or 1600; is that correct?
  - A. That's correct.

- Q. All right. Now, does that include -- is that just the physical exam; or does that include the history and kind of the interview portion of it, also?
  A. That includes when I first meet my patient.
  Because as a nurse, I start assessing as soon as I
  - Because as a nurse, I start assessing as soon as I see the patient. So, I start my exam when I first meet my patient.
  - Q. How long does the history portion -- you asking questions about not only that day but any medical conditions or anything like that, how long does that typically take?
    - A. Depends on the patient.
  - Q. Do -- do you have any independent recollection on how long it took for you to conduct the Houston Forensic Science Center history for Ms. Batiz?
  - **A.** No.

  - A. Those were the vital signs from the triage.
  - Q. So, the triage nurse did all that?
- A. So, that way I have kind of a remembering time for when they came in there. They arrived to

the hospital around 3:00.

- Q. Okay. Now, you went through the history. And about how long after you meet a patient do you start going through the written history, but the --history portion of the exam? Pretty immediately?
- A. I'm with my patient, room, I'm sitting with my patient. I ask them what happened. They tell me. I write it down as verbatim as possible. And then we start talking about the rest.
- Q. Okay. So, as soon as you see them, I mean, you're obviously assessing them visually; but then you pretty immediately start -- after you introduce yourself, start the history?
- A. I get the consent signed, answer any questions, explain the exam. Then when the patient is ready, go into the history; and that -- at that point my patient and I are by ourselves in the room with a locked door.
- Q. And I remember you said that. We will get to that. And you ask various questions of Ms. Batiz before you start the actual physical portion of the exam -- whether she washed her hair, brushed her teeth, showered, changed clothes, vomited, gone to the bathroom, few other questions; is that correct?
  - A. That's correct.

- And she indicated "no" on all of those; is 1 0. that correct? 2 3
  - That's correct. A.
  - I'm reading that right? There is not Q. anything that she had done that would -- could cause any sort of evidence to dissipate or go away?

- A. That's correct.
- And she didn't know if the assailant was Q. injured; is that right?
- 23 That's correct. A.
- 24 And it's important for you to know that Q. 25 because then that could be a transfer of some

    - A. That's correct.
  - Q. And, again, I believe Ms. Primm asked you this question; but she said that it was also unknown whether or not the assailant used a condom?
  - A. That's correct.
  - Q. And then you started to -- what did you do first? Did you -- did you collect the evidence that is now in State's --
    - **MS. PRIMM:** 41.
  - Q. (BY MR. VINAS) -- 41, the sexual assault
    kit; or did you do the visual head to toe? Which did
    you do first?
  - A. I start with the head, and I palpate for tenderness in the head. I comb the hair, collect that; and then I do the swabbing of the mouth. And then I go down. I work down. And when I get to the hands, I document the injuries as I go down; and I

scrape under the nails. And I just work my way down 1 to the bottom of the feet. 2 Okay. So, visual inspection is -- is 3 contemporaneous, at the same time, with the evidence 4 collection. Is that fair to say? 5 6 A. Yes. Yes. 7 And you said you started at the head; is that correct? 8 9 A. Yes. 10 Q. Visually. And you also feel on it to see 11 if there is any tenderness; is that correct? 12 A . Yes. MR. VINAS: May I approach the 13 14 exhibit, Your Honor? 15 THE COURT: Yes, sir. 16 Q. (BY MR. VINAS) And you noted -- you noted 17 several -- I lost count. Fair to say that --18 physically, medically -- that these injuries are all minor? 19 20 Α. Yes. 2.1 Okay. I mean, nothing life threatening? Q. 22 A . No. 23 In fact, most of them are less than an inch Q.

for those of us who are metrically illiterate?

think what, 2 and a half centimeters or so, about an

- Q. Okay. So, most of these are under an inch. Some of them are really minor, like .4 centimeters. So, about, you know, 16th of an inch, something like that. Fair to say that none of these required any
  - A. That's correct.

real serious medical treatment?

- Q. Now, if a patient does require medical treatment, is that done -- before she would get to you, would you do it; or would it be done after she gets to you?
- A. The patients are supposed to be medically cleared because the patient's health and wellbeing comes first before evidence collection.
  - Q. Okay.
- A. So, if I am seeing a patient and I find something the doctor needs to see, I will go get the doctor and bring him in.
- Q. So if someone's got a gunshot wound, you're not going to let them bleed out on the table?
- $oldsymbol{A}_{oldsymbol{\cdot}}$  No.

Yes. 8 Q. And probably about, I don't know, a few inches below the collarbone there; is that correct? 9 10 Α. Correct. 11 0. And then there were several more on her torso there down into her left arm and then fewer --12 13 looks like fewer injuries on her legs. Is that fair 14 to say? 15 A. That's correct. 16 0. And then just the one on the back of her left hands; is that correct? 17 18 A. Correct. 19 Nothing on her head that you noted in the head-to-toe exam? 20 2.1 I did not document any, no. A. 22 0. Did you -- did you note anything in your report on the exam about 9 injuries to her neck? 10 11 Α. I did not -- I did not document that I saw any injuries on her neck. 12 13 Q. And even if you didn't see anything, you 14 said you palpated the head for tenderness. If she 15 would have said her head hurts, you would have noted that? 16 17 A. Yes. I document tenderness, point tenderness. 18 19 0. Sure. And since we don't see it in your 20 report or on the diagram, which is part of your 21 report, fair to say that you didn't observe any 22 injuries to her head and her neck? 23 That's correct.   - Q. And the -- I will get back to that.

Now, you and Ms. Primm went over pretty detailed the steps that are included in State's Exhibit No. 41, which is the kit that you collected; is that correct?

- A. That's correct.
  - Q. I mean, I am no mathematician; but I
    noticed there are some steps that are missing, like
    1, 2, and 3. What are those steps?
- 17 A. Those steps are paperwork.
- 18 **Q.** Okay.
- 19 A. This front page is labeled step 2.
- 20 Q. Okay. And what about step 6? I notice you start with step 4, which are underwear?
  - A. 6? I should know this. I don't remember.
- 23 Q. Okay. Any reason it would not be included in the kit if you conducted that step?

  - A. We -- I'm sorry?
- 0. You obviously start -- I mean, you said with Ms. Primm it doesn't really matter what order you go in, as far as the physical exam goes; but clearly you're going to do step 2 --
  - A . Yes.
- -- before you do any of the evidence Q. collection steps; is that correct?
- That's correct. 17 A.
- 18 Q. All right. What is step 1? We established 19 that.
- 20 A. One -- step 1 was the consent.
- 21 Okay. Okay. Consent, then history form? Q.
- 22 A . Yes.
- 23 Q. Then we move into the -- no, what is step 3?
- 25 A . Step 6 is going to be one of the evidence

collection envelopes. I don't remember which one. 1 2 Q. Okay. I missed it. But I was --Step 2 is the paperwork. 3  $\boldsymbol{A}$  . Right. 4 Q. 5 Α. Step 3 through however many envelopes. There were the two slides in there. Is it 6 Q. 7 possible that 3 and 6 are the slides? 8 A. No. Those go with the -- whatever step the vaginal swabs are. 9 10 Q. Okay. 11 And whichever steps the oral swabs are. A . So, that's with the swabs, vaginal swab 12 Q. smear I guess? 13 14 A . Yes. And the other anal swab smears? 15 Q. 16 A. Yes. And the lab got mad at y'all for whatever 17 Q. reason? 18 19 We had heard. Α. Okay. And so, 3 and 6 we will look in 20 Q. 21 there in a little bit and see if we can find them. 22 Now, you said that the -- sexual assault physical 23 portion of the exam can be difficult, I think was 24 your word?

    necessary for evidence collection?
    - A. And to make sure the patient is okay.
  - Q. Right. Well, I -- certainly. And hopefully that had been done at triage before she even got to you, right?
  - A. No, because I'm the one that really does it, unless there is -- they are complaining of trauma or injury, or bleeding, they are not going to undress the patient until the forensic nurse gets there. So, I'm the one really doing the detailed assessment. So, I could find something that the -- they had overlooked. Because they had -- they hadn't undressed the patient because there is no concern at that time.
    - Q. I guess triage is just to address the level of emergency -- medical emergency at that point, and then you do the better exam?
- 24 A. Correct.
- 25 Q. More complete exam, I guess. Okay.

### Susan Spjut - September 15, 2015 Cross-Examination by Mr. Vinas

1 But you're doing some things that aren't normal medical procedure outside of this; is 2 that correct? Like, I mean -- and I'm not suggesting 3 that you're doing anything crazy. But like vaginal 4 swabs, that's not something that's in a lot of 5 6 medical practice, correct? 7 Depends on what the patient's complaint is. A . 8 Q. If someone goes to see that OB/GYN, that could be done? 9 Or in the ER. 10 A. 11 But if you go see your GP for tennis elbow, Q. that's not going to happen, right? Hopefully -- I 12 guess it could. Okay. 13 14 But, anyway, you do those swabs, the 15 vaginal swabs? 16 Α. Yes. And anal swabs? 17 Q. 18 A. Yes. 19 Fingernail scrapings? 0. 20 A. Yes. 21 In this case, in step 7, you collected Q. 22 stickers and thorns. Is that typical to do? 23 They were there. A. 24 Q. Okay. 25 It was consistent with her history, and A.

they were there. So, I couldn't leave the stickers 1 in her. 2 Sure. 3 0. So, I pulled them out and collected them, 4 A. sent them to the lab. 5 6 Q. You took -- step 14 was known saliva for 7 her; is that correct? 8 A. Yes. And the method you did there was buccal 9 Q. swab? 10 11 A. Yes. And that's where you just take one of those 12 Q. 13 long Q-tip looking things and rub it on the inside of someone's cheeks? 14 That's correct. 15 A. 16 Q. Sometimes people will do one swab for both 17 sides. Sometimes people do one swab for one side, one for the other? 18 19 A. That's correct. 20 Q. Do you remember what you did -- or what 21 your standard practice is? 22 A . I generally do both sides. 23 Okay. With one swab? Q. 24  $\boldsymbol{A}$  . Two swabs.

One swab for each?

25

Q.

1 A . Yes. 2 Okay. You do the hair combings and put the Q. comb in there, also? 3 Α. Yes. 4 And is the purpose -- well, tell me what is 5 0. 6 the purpose for including the comb in the hair 7 combings? Just in case there is anything that is 8 Α. clinging to the comb. 9 10 Same thing for step 2, pubic hair --Q. 11 A. Yes. -- combings? 12 Q. Yes. 13 A . Obviously you collect her underwear, and we 14 0. 15 have seen you collected her clothing? 16 Α. Yes. All right. And you do labia minora swabs. 17 Q. Is that something that's routine across the practice? 18 Seems like when you were describing it that's 19 20 something you do as kind of an extra precaution. 2.1 It is up to the forensic nurse. It's not A. 22 one of the steps. 23 Q. Okay. 24 A. I have found that that was a place where I 25 captured DNA on a frequent basis. So, I kind of

- include it as part of my practice.
- Q. And my point with going back through all this is that this is all -- these are all necessary steps because they are places where you at least suspect you can get some sort of biological evidence; is that correct?
  - A. That's correct.

- Is that common or uncommon?
- 19 A. It's -- it's uncommon.
- 20 Q. Injuries are uncommon. Okay. All right.
- 21 | So, no injuries would be common?
- 22 A. Correct.
- Q. Okay. Now, the exam started at 4:00 p.m. thereabouts?
- 25 A. That's correct.

- Q. The time of the reported assault that she gave you was at about 1:30; is that correct?
  - A. That's correct.
- Q. So, looking at about two and a half hours between the assault and the time that your portion of the exam started; is that correct?
  - A. That's correct.

  - A. Correct.
  - Q. And is that specifically why -- I believe you answered this question -- why you scrape under the fingernails is to see if they got ahold of the assailant; is that correct?
- 22 A. Correct.
  - Q. So, if someone were to, say, reaching back behind them and struggling for a knife, potential for some biological material transfer under these

fingernail scrapings in that scenario? 1 I don't understand. Α. 2 If someone is struggling over a knife with 3 0. the assailant, is there potential for biological 4 5 transferring to be under the fingernail scrapings? 6 A. If the person scraped their skin, yes. 7 Right. And if they're reaching for 0. 8 somebody else's hand pretty frantically to try to get a knife from them, possible that you would get some 9 biological transfer there? 10 11 A. Yes. 12 Q. Okay. 13 MR. VINAS: May I have just a moment, Your Honor? 14 15 You may. THE COURT: 16 (Brief pause) (BY MR. Correct. 24 Now, if she said yes, obviously, you would Q. 25 have completed the full exam, right?

1 A . Yes. And is that because there still -- even if 2 someone -- if the patient knew 100 percent that the 3 assailant used a condom, you're still going to look 4 5 for some biological transfer in the vaginal swabs and 6 anal and that sort of thing; is that correct? 7 That's correct. A. 8 Q. Okay. So, still possible, even if we know someone used a condom, for biological evidence to 9 transfer during that exchange? 10 11 That's correct. A . 12 MR. Hi. My name is Jennifer Landrum. I'm a 1 A . sergeant with HPD, and I have been on the department 2 for approximately 14 years. 3 When did you start with the department? 4 5 Α. I started at south central patrol, and then 6 after that I started picking up evidence. 7 Okay. And you promoted to sergeant. When 0. 8 did you promote to sergeant? 9 A. I promoted a little over a year ago. 10 Q. Okay. And where are you assigned right 11 now? The command center. 12 A. 13 Q. And what do you do for the command center? 14 A . Crime analysis. 15 All right. Now, I want to draw your Q. 16 attention back to June of 2008. Where were you assigned in June of 2008? 17 18 A. In 2008 I was assigned to south central 19 picking up evidence. 20 Q. When you say "picking up evidence," can you 21 tell the ladies and gentlemen of the jury what you're 22 referring to? I would go to various hospitals and collect 23 24 rape kits and articles of clothing.

And were you given any instruction or

25

Q.

- training in what you needed to look for or pay 1 attention to when you picked up rape kits? 2 Yes. Any time a rape kit -- rape kit was 3 picked up, it had to be sealed and signed. 4 5 Okay. What do you mean "sealed and 0. 6 signed"? 7 A. The actual box had to be sealed completely, 8 make sure that it wasn't tampered with at all. 9 All right. How -- how long did you work at Q. 10 collecting evidence, the rape kits, at the hospitals? 11 Approximately five years. A . 12 Q. And in that five years, did you pick up 13 hundreds or thousands of rape kits? Probably hundreds. 14 A. 15 All right. And each time you picked them Q. 16 up from the hospital, were they always sealed? 17 A. They were always sealed. 18 Q. Ma'am, I'm going to draw your attention --I think it was June 12th of 2008. Did you make a 19 20 pickup of a rape kit that particular day? 21 A. Yes. 22 0. All right. Did you go to Memorial Hermann 23 Hospital?
  - A. Yes, ma'am.

24

25

Q. Ma'am, I'm going to show you what's been

marked for identification purposes as State's 1 2 Exhibit 41. Do you recognize what State's Exhibit 41 is? 3 Yes, ma'am. 4 A . 5 0. What is State's Exhibit 41? 6 A. This is a rape kit. 7 Okay. Did you put any markings of Q. significance on State's Exhibit 41? 8 9 A . Yes, ma'am. What markings are significant on State's 10 0. 11 Exhibit 41? 12 A. Received by my name, date, and time. Okay. And as -- when you sign it -- by 13 Q. 14 "sign it," are you saying that it's sealed? 15 A. Yes, ma'am. 16 Q. Okay. After you collect it and you sign 17 it, what do you do with it? 18 A. I then place it in a bag, and I seal the 19 baq. 20 Q. Okay. And do you make any writings or 21 identification on the actual bag? 22 A . Yes, I do. 23 Okay. And the writing on the outside of Q. 24 that bag, whose writing is that?

This is my writing on the bag.

25

A .

Q. Okay. And what type of information do you want to indicate on that envelope?

  - Q. Okay. And where do you take that?
  - A. I then take this to the property room.
- Q. All right. And when you take it to the property room, is there a process for checking evidence into the property room?
- A. Yes, ma'am. They make sure everything is sealed, also; and then they make sure all the signatures are correct before they actually accept it into the property room.
- Q. Okay. And how about getting evidence out of the property room, is that a process, as well?
- A. That's normally the investigating officer.

  They go out there and pick up the evidence.
- Q. Okay. But do they just hand it over to anybody?
  - A. No, they do not.
- Q. Okay. And, ma'am -- also, what's been admitted as State's Exhibit 35, I'm going to ask if your signature appears on the last page of State's Exhibit 35?

### Jennifer Landrum - September 15, 2015 Voir Dire Examination by Mr. Graham

Yes, that is my signature. 1 A . Okay. And do you typically sign when you 2 Q. pick up a sexual assault kit? 3 Yes, I sign and date it. 4 A. 5 0. All right. 6 MS. PRIMM: Your Honor, at this time I 7 will offer State's Exhibit No. 41 into evidence. 8 Tender to opposing counsel for any objections that he 9 may have. MR. GRAHAM: Thank you. Can I take 10 11 the witness on a brief voir dire? 12 THE COURT: Granted. VOIR DIRE EXAMINATION 13 (BY MR. GRAHAM) Ma'am, would it be fair to 14 0. 15 say when you get the rape kit, you don't actually 16 look inside to see what's inside the actual box? No, I do not. It's sealed. 17 A. 18 Q. Okay. So when you receive it, it is 19 already sealed up? 20 A. Yes, sir. 21 Okay. And so, you have no idea what the Q. 22 contents of this box are? 23 No, sir. A . 24 Okay. And we see several different Q. writings on here. Is this all your handwriting, or 25

- is this -- multiple people's handwriting? 1 The handwriting -- I put the case number, 2 A. the offense, the description, the victim's name, 3 location, recovered by, and evidence. 4 5 0. Okay. 6 A. My writing. 7 And then here at the bottom, your writing? 0. 8 A. No, this is not my writing. 9 Okay. Do you know whose this is? Q. 10 A. No, I do not. 11 MR. GRAHAM: At this time, Your Honor, 12 I would object based on chain of custody and this witness' lack of knowledge of what potential evidence 13 is inside here as to State's 41 because it's not just 14 15 the bag; but it would be the entire contents of this. 16 Plus, there is writing that she can't even identify. 17 THE COURT: Thank you. Overruled. That would be -- 41 is admitted. 18 19 DIRECT EXAMINATION (CONTINUED) 20 Q. (BY MS. PRIMM) Ma'am, in addition to picking up the actual rape kit itself, do you often 21 22 also pick up clothing that comes along with the rape 23 kit?
  - A. Yes, ma'am.

24

Q. All right. Showing you a box, State's

Exhibit 84, that tag that's on the box, whose writing 1 is on that? 2 This is my handwriting. 3 Okay. And do you put also the same case 4 Q. 5 number on it? 6 A. Yes, ma'am. 7 All right. And do you also put the Q. 8 complainant's name on it, as well? 9 A . Yes, ma'am. And date and time? 10 0. 11 Yes, ma'am. A . 12 Q. Okay. And did you, in fact, tag a box of 13 clothing in this case, as well? Yes, ma'am. 14 A . 15 Okay. And was the box sealed when you Q. 16 picked it up? Do you recall? The clothed -- most -- the majority of the 17 A. 18 times, the clothing bags are then placed in the box. 19 Okay. Q. 20 A . And then they are sealed, yes. 21 Okay. Sergeant Landrum --7 congratulation on your promotion to sergeant, by the 8 way. 9 A. Thank you. If you can, just kind of educate those of 10 11 us that aren't familiar with how everything works 12 over there at Houston Police Department, what all do you have to do in order to achieve the rank of 13 14 sergeant? 15 Take a promotional exam. A. 16 0. Okay. Do you have to have a certain number 17 of years of service in? 18 A. You have to have at least five years of service. 19 20 Q. Okay. And that exam, is it a difficult process to pass and become sergeant? 21 22 A . You just study and take your test and then 23 go into assessment and then you're ranked in order 24 and then you're promoted. 2.5 Q. Okay. And you did a number of years in

southwest patrol. I think you said southwest patrol? 1 A. South central. 2 South central patrol. Okay. 3 0. So, in addition to working in the 4 5 duties you have described in 2008 where you go to the 6 hospitals and collect evidence, did you actually make 7 scenes at some point, as well? 8 A. Yes. 9 Okay. Like calls for possible sexual Q. assault? 10 11 A. Yes. 12 Q. Okay. So, you knew the process of how 13 you're supposed to gather up evidence? 14 A . Yes. And look for evidence at a scene --15 Q. 16 A . Yes, sir. 17 -- right? Q. 18 And when you were working in south 19 central in 2008, involving this case, did you have any interaction with the complaining witness at all? 20 21 No, sir, I did not. A. 22 Q. Okay. What about -- did you have any 23 interaction with Ms. Spjut, the SANE nurse involved

No, sir, I did not.

- Okay. When you come to the hospital, where Q. do you go to actually gather up the evidence?
  - I go to -- the Memorial Hermann Hospital forensic nurse gives us the rape kit or clothing bags, evidence. We pick it up from them.
  - Q. Okay. And fair to say you don't really discuss any of the allegations in the case?
    - A. No, sir, I do not.

- Do you know in this case if the rape kit or Q. the clothes were ever taken to the lab?
- 17 I have no knowledge of that, no, sir. A.
- 18 Q. Okay. You certainly never did that in this 19 case?
  - No, sir, I did not. A.
- Okay. And, I mean, do you report back to a Q. detective and say, you know, All this evidence is in the property room. You guys might want to do 24 something about this?
